Annually updated and revised by Hon. Donald G. Alexander of the Maine Supreme Judicial Court, Maine Jury Instruction Manual includes a wide array of civil and criminal jury instructions accompanied by commentary and discussion of practice points for closing arguments. New and revised instructions and commentary offer expert guidance on convening the jury panel, jury selection and voir dire, and return of the verdict, as well as practical guidance on how to present information to a jury in layman's terms to ensure effective communication with jury panels. Maine Jury Instruction Manual also provides extensive cross-references and online hyperlinks to the pattern criminal jury instructions for the District Courts of the First Circuit, with a cross-reference table and cross-references in related individual jury instructions. The subject matter index, table of cases, and table of statutes are also annually updated to reflect expanded and revised jury instruction coverage. The sample jury instructions will help legal professionals to avoid costly errors and to prepare for trial more quickly. The instructions lend themselves to ready customization to the facts of the case and expedite preparation for court. The vast array of forms in Maine Jury Instructions will save hours of expensive and frustrating research and replication.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Divorce can be murder! From award-winning author Paula Darnell comes this fast paced historical mystery. Never guessing that their very lives might be in danger, well-to-do women come from all over the country to stay at guest ranches around Reno to establish the six weeks' residency required for a quickie Nevada divorce in 1955. When a Circle E Ranch guest dies after her Cadillac plunges off Mount Rose Highway, a mountain road between Lake Tahoe and Reno, Washoe County Deputy Sheriff Ben Cameron is assigned to investigate the accident. His inquiries lead him to question everyone at the Circle E, where he meets Mary, an attractive prospective divorcée from New York. Unfortunately, Mary soon has an accident of her own. In the meantime, Ben's case

takes a turn as twisty as the Mount Rose Highway, and when Mary suffers a second accident, he figures that someone is out to get her. Unless Ben can discover who's targeting the out-of-towners, some of them won't live long enough to have their day in court. Author Paula Darnell is the winner of two book awards for *The Six-Week Solution*, one from the Public Safety Writers Association for a published fiction book in 2020 and another from the National Federation of Press Women for a novel over 40,000 words in 2021. Annually updated and revised by Hon. Donald G.
