Your Life Matters Jul 30 2020 Empowering and validating, *Your Life Matters* reassures Black children everywhere that no matter what they hear, no matter what they experience, no matter what they're told, their lives matter. Written by national speaker Chris Singleton, who lost his own mother in the 2015 Charleston church shooting, *Your Life Matters* teaches kids to stand tall in the face of racial adversity and fight for the life they dream of. Each page depicts a famous hero from Black history mentoring a child of today and encouraging them to use their mind, heart, voice, and hands in that fight. Hero-mentors in the book include: Maya Angelou, Jackie Robinson, Martin Luther King, Jr., Aretha Franklin, Katherine Johnson, Harriet Tubman, Frederick Douglas, Mary McLeod Bethune, George Washington Carver, and others.

You Bet Your Life Apr 06 2021 One of America's top physicians traces the history of risk in medicine—with powerful lessons for today Every medical decision—whether to have chemotherapy, an X-ray, or surgery—is a risk, no matter which way you choose. In *You Bet Your Life*, physician Paul A. Offit argues that, from the first blood transfusions four hundred years ago to the hunt for a COVID-19 vaccine, risk has been essential to the discovery of new treatments. More importantly, understanding the risks is crucial to whether, as a society or as individuals, we accept them. Told in Offit's vigorous and rigorous style, *You Bet Your Life* is an entertaining history of medicine. But it also lays bare the tortured relationships between intellectual breakthroughs, political realities, and human foibles. Our pandemic year has shown us, with its debates over lockdowns, masks, and vaccines, how easy it is to get everything wrong. *You Bet Your Life* is an essential read for getting the future a bit more right.

The Purpose Of Your Life Mar 25 2020 The co-author of *The Celestine Prophecy Experiential Guide* helps readers uncover the unsuspected, untapped power of synchronicity and intuition that will bring success, satisfaction, and serenity. Everyone really has a purpose in life, says Carol Adrienne in her new guide to harnessing the power inside yourself. The question is: How do you learn to go with the flow and let your true nature guide you? Chapter by chapter, *The Purpose of Your Life* explains how to locate the source of your innate energy and focus it, how to align yourself with the natural forces that swirl around us always, and how to develop the intuition that fosters synchronicity. The book is packed with illuminating anecdotes and profiles of fascinating people -- from artists to urban planners to Zen masters -- who describe how they found their own purposes. There are practical exercises throughout, along with charts, self-questionnaires, and other tools that help you understand yourself and your deepest aspirations. As you learn to recognize and trust the voice of intuition, you'll find new doors opening and new possibilities everywhere. You'll feel invigorated by the potential you've unleashed, a power that will only grow with each new accomplishment. And you'll discover the serenity and satisfaction that come only to those who are living life to the fullest. The Force is with you -- all you have to do is reach out and start to use it.

The Great Work of Your Life Apr 26 2020 An inspiring guide to finding your life's purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old spiritual classic called the *Bhagavad Gita*—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. If you're feeling lost in your own life's journey, *The Great Work of Your Life* may help you to find and to embrace your true calling. Praise for *The Great Work of Your Life* “Keep a pen and paper handy as you read this remarkable book: It's like an owner's manual for the soul.”—Dani Shapiro, author of *Devotion* “A masterwork . . . You'll find inspiration in these pages. You'll gain a better appreciation of divine guidance and perhaps even understand how you might better hear it in your own life.”—*Yoga Journal* “I am moved and inspired by this book, the clarity and beauty of the lives lived in it, and the timeless dharma it teaches.”—Jack Kornfield, author of *A Path with Heart* “A rich source of contemplation and inspiration [that] encourages readers . . . to discover and fully pursue their inner self's calling.”—*Publishers Weekly* “Fabulous . . . If you have ever wondered what your purpose is, this book is a great guide to help you on your path.”—*YogaHara*

This Book Will Save Your Life Feb 26 2023 Since her debut in 1989, A. M. Homes, author of the forthcoming novel *The Unfolding*, has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. *This Book Will Save Your Life* is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you.

The End of Your Life Book Club Apr 18 2022 “What are you reading?” That’s the question Will Schwalbe asks his mother, Mary Anne, as they sit in the waiting room of the Memorial Sloan-Kettering Cancer Center. In 2007, Mary Anne returned from a humanitarian trip to Pakistan and Afghanistan suffering from what her doctors believed was a rare type of hepatitis. Months later she was diagnosed with a form of advanced pancreatic cancer, which is almost always fatal, often in six months or less. This is the inspiring true story of a son and his mother, who start a “book club” that brings them together as her life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Their list jumps from classic to popular, from poetry to mysteries, from fantastic to spiritual. The issues they discuss include questions of faith and courage as well as everyday topics such as expressing gratitude and learning to listen. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn’t the opposite of doing; it’s the opposite of dying. Will and Mary Anne share their hopes and concerns with each other—and rediscover their lives—through their favorite books. When they read, they aren’t a sick person and a well person, but a mother and a son taking a journey together. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will’s love letter to his mother, and theirs to the printed page. This eBook edition includes a Reading Group Guide.

Change Your Life! Nov 25 2022 Allen Klein, master of the right quote at the right moment, has gathered his favorite, most inspiring words of wisdom into this treasury of moving and meaningful sayings from around the world that incite readers to live life to the fullest. Readers can take this book on the go to get a quick shot of inspiration at any time, or they can select one quote every day for in-depth thought and meditation. The book’s small size makes it ideal to carry in a purse or a bag, or to keep by the computer for those moments of need. However readers choose to use these uplifting and inspiring quotes, they all have the potential to be life-changing. Kipling once said that words are "the most powerful drug used by mankind" — the words in this book are the prescription readers need to revise their lives. The book features a foreword by Jack Canfield, cocreator of the best-selling *Chicken Soup for the Soul* series.

Rock and Roll Will Save Your Life Jan 28 2023 Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that’s spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he’s secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he’s content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond’s passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America’s finest songwriters • a recap of the author’s terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx’s Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song “Africa” • obnoxious lists sure to piss off rock critics But wait, there’s more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you!

This Book Will Change Your Life Again! Sep 23 2022 Part instruction book, part therapy, part religious cult, part sheer

Designing Your Life Dec 15 2021 #1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage. Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.

Skate for Your Life Oct 01 2020 Pocket Change Collective was born out of a need for space. Space to think. Space to connect. Space to be yourself. And this is your invitation to join us. "Wow! Leo's vulnerability and authenticity allowed me to experience his pain and triumph. A great testament to the positive power of skateboarding and the dangers of gender." --Elissa Steamer (skateboarding pioneer) "In *Skate for Your Life*, Leo Baker invites us on the intimate journey toward self-realization. Leo's deep passion for skateboarding is beautifully communicated while bringing to light the difficult reality of breaking the mold on a public stage. This book synthesizes what so many LGBTQIA people can relate to--the lifelong journey of seeking out spaces where we fit in, and when we don't find them, making new ones." --JD Samson (musician, producer, and songwriter) In this moving, personal story, professional skateboarder Leo Baker shares their journey within the sport and the importance of authenticity and allyship as a non-binary athlete. Pocket Change Collective is a series of small books with big ideas from today's leading activists and artists. "Your authenticity is your superpower." That's the motto that professional skateboarder Leo Baker lives by and champions. But like any hero's journey, learning about their power didn't come easy. In this installment of the Pocket Change Collective, Baker takes the reader on a complicated, powerful journey through the world of skate and competitive sport as a non-binary athlete.

Your Life as Art Dec 03 2020 This book is about creating your life just as the artist creates a painting, a composer writes a symphony, or the poet writes a poem. Robert Fritz further develops his special insights that he introduced in his best selling book *The Path of Least Resistance*. In *Your Life as Art*, Fritz shows the relationship among the mechanics, the orientation, and the depth of the human spirit within the creative process, and how your life itself can be made like a work of art. *Your Life as Art* breaks new ground, shakes up the status quo, and, at once, is common sense and revolutionary insight that can change the way you understand the dynamics of your life-building process.

Your Life Aug 23 2022 "Scot believes that his life of perceived struggle and unfortunate circumstances are the RULE in today's society, not the exception, with that said, Scot says "I am the average American that has suffered the common problems of the world at large, but what makes me different is how I ended up after going through these problems". Scot believes that there is hope for all who choose to take responsibility for their life's present circumstances, and get into action, which is what this book is focused on."--Cover.

Your Life in Rhythm May 20 2022 *Your Life in Rhythm* offers a realistic solution to our crazy, overly-busy, stressed lives. Miller exposes the myth of living a “balanced” life, and offers “rhythmic living” as a new paradigm for relieving guilt and stress, while accomplishing more of what matters most in life. Rhythmic living details six practical strategies for living a more fulfilling life. Instead of managing time, Miller suggests that we flow with life, living in tune with the natural rhythms of nature. By applying the rhythm strategies, we can reduce stress, frustration, and guilt while increasing fulfillment and inner peace. The point is not to balance all of our responsibilities at one time, but to focus attention on what matters most at different times. Although this sounds easy enough, the six strategies he outlines are crucial to helping the reader to achieve this goal. Miller helps us to understand the stages and seasons of life we all experience over a lifetime. This new understanding, when applied, will solve time-management problems and help readers to let go of misplaced priorities and relieve their overbooked lifestyle. The rhythm solution, in short, brings freedom. In a nutshell: Helps readers think through their overbooked lifestyle. Presents a

new way of thinking about life management. Helps readers to let go of misplaced priorities. Helps readers understand the seasons of life and adjust their expectations. Presents rhythm “solution process” for common time management issues.

Your Life In My Hands - a Junior Doctor's Story Jan 04 2021 'I am a junior doctor. It is 4 a.m. I have run arrest calls, treated life-threatening bleeding, held the hand of a young woman dying of cancer, scuttled down miles of dim corridors wanting to sob with sheer exhaustion, forgotten to eat, forgotten to drink, drawn on every fibre of strength that I possess to keep my patients safe from harm.' How does it feel to be spat out of medical school into a world of pain, loss and trauma that you feel wholly ill-equipped to handle? To be a medical novice who makes decisions which - if you get them wrong - might forever alter, or end, a person's life? To toughen up the hard way, through repeated exposure to life-and-death situations, until you are finally a match for them? In this heartfelt, deeply personal account of life as a junior doctor in today's health service, former television journalist turned doctor, Rachel Clarke, captures the extraordinary realities of ordinary life on the NHS front line. From the historic junior doctor strikes of 2016 to the 'humanitarian crisis' declared by the Red Cross, the overstretched health service is on the precipice, calling for junior doctors to draw on extraordinary reserves of what compelled them into medicine in the first place - and the value the NHS can least afford to lose - kindness. *Your Life in My Hands* is at once a powerful polemic on the systematic degradation of Britain's most vital public institution, and a love letter of optimism and hope to that same health service and those who support it. This extraordinary memoir offers a glimpse into a life spent between the operating room and the bedside, the mortuary and the doctors' mess, telling powerful truths about today's NHS frontline, and capturing with tenderness and humanity the highs and lows of a new doctor's first steps onto the wards in the context of a health service at breaking point - and what it means to be entrusted with carrying another's life in your hands. 'Eloquent and moving' - Henry Marsh 'There have been many books written by young doctors... but none comes close to Clarke's' - Sunday Times 'From the very heart of the NHS comes this brilliant insight into the continuing crisis in the health service. Rachel Clarke writes as the accomplished journalist she once was and as the leading junior doctor she now is - writing with humanity and compassion that at times reduced me to tears.' - Jon Snow, Channel 4 News 'Dr Clarke has written a blockbuster, a page-turner, a tear-jerker. This is a "from-the-heart" front-line account of the human cost of the wanton erosion of a magnificent ideal - healthcare free at the point of need, funded through public taxation, available to all - made real in the UK for near 70 years. It is a love-song for the wonderful National Health Service that has embodied - to an extent equalled nowhere in the world - the principle that healthcare is not a commodity but a great duty of state.' - Prof. Neena Modi, President of the Royal College of Paediatrics and Child Health 'A powerful account of life on the NHS frontline. If only Theresa May and Jeremy Hunt could see the passion behind the people in the NHS, they might stop treating them as the enemy, and understand that without them we don't have an NHS worth the name.' - Alastair Campbell

How Will You Measure Your Life? (Harvard Business Review Classics) Jun 20 2022 In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

The Music of Your Life Nov 13 2021 With a voice that is both sophisticated and deeply Southern, author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories, peopled with unforgettable, endearing characters and filled with wry insights. Drawn from the emotional well of a young man who grew up in love with the glittery, glamorous world of music and movies and theater—far removed from his own more prosaic life in North Carolina—and informed with honesty and compassion, the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer. Compulsively readable and always accessible, each story takes the reader into the mind and heart of its central character, whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty ("The Music of Your Life") or a not-so-young-anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge toward total meltdown ("Wildlife of Coastal Carolina"). Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him ("Spectators in Love"), and an aging flower-shop owner ruefully assesses the love he found and lost when, as an eighteen-year-old, he embarked on a Hollywood career that never soared but did include one particularly memorable appearance on the *I Love Lucy* television show ("Who Loves You?") These stories all create entire worlds within which the characters live and struggle to find their way. Funny, touching, serious, and tender, the tales within *The Music of Your Life* are sure to appeal to anyone who has ever known the awkwardness of being "different," and while life is often harsh for the stories' characters, the bold determination with which they persevere offers inspiration to all.

Take Time for Your Life Aug 30 2020 Live the life you've always dreamed of! America's #1 personal coach offers an inspiring, practical seven-step program to help you create the life you want. Imagine finding time to do all the things you want to do. Having plenty of energy for family and friends. Having control over your income and finances. Taking care of your physical and emotional well-being. If you feel as though the life you're living doesn't reflect your true priorities and is leaving you stressed out and unfulfilled, you're not alone. Cheryl Richardson--the leader in the new field of personal coaching, what she calls "a personal trainer for the soul"--has helped thousands of people make changes toward living a high-quality life, and in *Take Time for Your Life* she offers her step-by-step program so you can too. If you're tired of living a life that feels out of control and are ready to live life on your own terms--while still meeting your responsibilities--get ready to take action! Packed with useful exercises, checklists, concrete advice, client success stories, personal anecdotes, and a wealth of resources, Cheryl Richardson's seven-step program shows you how to identify and eliminate the things in life that are draining you and replace them with the things that fuel you. She gives you permission to put yourself at the top of your list. By doing so, you will find not only more energy and more enthusiasm but also that your relationships, your finances, your work, and your sense of well-being are improved and better balanced. Whether you're a corporate executive working sixty hours a week, a single parent trying to raise a family, someone starting his or her own business, or going back to school, *Take Time for Your Life* shows you how to step back, regain control, and make conscious decisions about the future you'd like to create. Richardson's strategies for overcoming the obstacles that block you from living the life you want will help you discover a world in which your priority list reflects your true desires. Take time for your life--and begin living a life that you love.

Jump...and Your Life Will Appear Nov 01 2020 Are you ready to make changes in your life—but feel something is holding you back? Is your soul asking you to take a leap—but you're too afraid to take it? Are you ready for something new—but aren't sure where to start? If this sounds like you, the book you hold in your hands will give you the courage and faith you need to jump across the threshold from where you are—to where you want to be. *Jump . . . and Your Life Will Appear* is a step-by-step guide to clearing the path ahead so you can let go and make the change you need the most. With a series of effective exercises, coach and author Nancy Levin will walk you through your fear, usher you up to the moment of jumping, and help you navigate what awaits on the other side. Whether you want to switch careers, move to a different part of the world, set boundaries with someone in your life, or increase your capacity for self-love, *Jump . . . and Your Life Will Appear* will support you on a practical path from start to finish.

The Change Your Life Book Jul 22 2022 Making dramatic life changes can be difficult. The true secret to life-long transformation, according to certified professional counselor Bill O'Hanlon, is to take baby steps; small, subtle changes will yield profound and lasting results when added together. In this concise book, O'Hanlon shares his simple formula for making the small changes that lead to big shifts: Change the Doing, Change the Viewing, and Change the Setting. Each simple concept is illustrated with examples of everyday challenges with easy-to-implement experiments for affecting transformation, as in this example from "Change the Viewing": Don't expect, be happy: Ken Keyes developed a simple strategy to be happy: Expect everyone and everything to be exactly as it is. When you are upset, he suggests, it is only because your expectations haven't been fulfilled and you are demanding that reality be as you want it to be, rather than how it is. So expect things to be as they are, and you'll be happy. For the next day or so, every time something happens within you or out in the world that could upset you, shift into expecting it to be exactly as it is. Tell yourself it is exactly as it is supposed to be. As a licensed marriage and family therapist and the author of more than thirty books, O'Hanlon understands that it often takes only simple adjustments to create a better life. With a therapist's keen understanding of what works, O'Hanlon offers straightforward advice that is reminiscent of chatting with a dear friend for achieving simple yet significant life changes.

This Book Will Change Your Life Dec 27 2022 Is the year ahead looking much the same as the last? Another 365-day grind of meetings, dinner dates, and deadlines? If so, try this book--the perfect gift for the adventurous reader. Part instruction manual, part therapy, part religious cult, part sheer anarchy, *This Book Will Change Your Life* will help you poke a stick in the spokes of your routine. It's not the soft-hearted kind of book that's interested in what you have to say; rather it contains 365 daily orders, each one of which could turn your humdrum existence into a daily free-fall. Whether learning to tell one joke properly, spending an hour talking to a tree, or choosing a motto to live by, *This Book Will Change Your Life* will lead you to make every day of the next year the first day of your new life.
