But in the fifth novel in the #1 New York Times bestselling series, she's about to learn that while some secrets are dangerous—those who seek them are just plain deadly... Mercy is smart enough to realize that when it comes to the magical Fae, the less you know, the better. But you can't always get what you want. When she attempts to return a powerful Fae book she'd previously borrowed in an act of desperation, she finds the bookstore

locked up and closed down. It seems the book contains secret knowledge—and the Fae will do just about anything to keep it out of the wrong hands. And if that doesn't take enough of Mercy's attention, her friend Samuel is struggling with his wolf side—leaving Mercy to cover for him, lest his own father declare Sam's life forfeit. All in all, Mercy has had better days. And if she isn't careful, she might not have many more to live... *Afterburn / Aftershock* Aug 28 2022 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson

Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage

rules all: keep your enemies close and your ex-lovers closer...  
Lustfully Ever After  
Feb 28 2020 In Lustfully Ever After, classic fairy tales are reimagined for an adult audience with twists (and kinks) to keep readers entertained. In Michelle Augello-Page's romantically charged BDSM tale "Wolf Moon," Little Red Riding Hood is the big bad wolf, while Kristina Lloyd rewrites "The Twelve Dancing Princesses" as a scorching hot MFM threesome in "The Shoes That Were Danced to Pieces." Shanna Germain's "Mirror Mirror" shows the sensual Sapphic side of Snow White's stepmother and

Andrea Dale pens a contemporary version of "The Steadfast Tin Soldier" in the poignantly erotic "Steadfast." This delightful collection of fairy tales will lead you down a magical path into forbidden romance and erotic love. You won't need those bread crumbs to find your way home—for home is where the heart is and the authors of Lustfully Ever After know your heart's most wicked and secret desires.  
**Scandalous** May 01 2020 "Have you no decency?" Straight-laced missionary Sarah Fisher has never met a man like Captain Martin Bouchard. He is the most beautiful person--male or

female--she's ever seen. Overwhelmingly masculine, elegantly attired despite months at sea, he is in complete command of everyone and everything around him: everyone, that is, except Sarah. But that's about to change because Sarah has bought Bouchard's mercy with the only thing she has to sell: her body. "None at all . . ." In spite of her outrageous offer, Martin has no doubt Sarah is a virgin, and a most delectable one at that. But instead of bedding her, he finds himself staring down the muzzle of his own pistol. Clearly, the longer she stays on his ship, the greater the chances that

she'll end up its damned captain! Most infuriating of all, she looks past his perfect exterior to the wounded man inside. Can Martin outrun his scandalous past in time to have a future with the first woman to find and capture his heart? Praise for The Outcasts series "Fans of Amanda Quick's early historicals will find much to savor." -- Booklist (Starred Review) "Wicked repartee, savvy wit, and energetic libidos." -- Publishers Weekly "A remarkably resourceful heroine who can more than hold her own against any character invented by bestselling Bertrice Small . . . deliciously fun retro

flavor." --Booklist (Starred Review) "Sexy and wildly entertaining." -- Bookpage "Spencer shines . . . an author to watch." -- Kirkus Reviews She Creeps Aug 16 2021 In this suspenseful, romantic thriller, one woman longs to feel alive--in every possible way. . . You Live, You Love-- Naomi Gaffney was only eight-years-old the day they found her momma's body. Then the police took her daddy away. Twenty-one years later, Naomi's father remains in jail, and she's still not sure if he's guilty of a crime of passion, or an innocent victim of southern justice. In fact, there isn't much Naomi is sure about these days. . .

And If You're Smart, You Learn. . . Raised by a cruel aunt, Naomi married young to escape her bitter household. But all she got was more heartache. She knows she's too smart and pretty to waste away in a dead small town. She aches to feel alive again. Her childhood taught her that adultery can be deadly, but when a handsome young man offers her everything she craves, Naomi finds that some lessons are more easily learned than others. . . "A captivating tale that is sure to make readers think about the things they take for granted in relationships." --The Rawsistaz Reviewers

North of Town Sep 04 2020 Set against the turbulent backdrop of the 1960s, Noah Bly's evocative debut explores prejudice, loss, and redeeming courage through the prism of an unlikely friendship. When fifty-four-year-old Julianna Dapper slips out of a mental hospital in Bangor, Maine, on a June day in 1962, it's with one purpose in mind. Julianna knows she must go back to the tiny farming community in northern Missouri where she was born and raised. It's the place where she and her best friend, Ben Taylor, roamed as children, and where her life's course shifted irrevocably one night long ago.

Embarking on her journey, Julianna meets Elijah Hunter, a shy teenaged African-American boy, and Jon Tate, a young hitchhiker on the run from the law. The three become traveling companions, bound together by quirks of happenstance. And even as the emerging truth about Julianna's past steers them inexorably toward tragedy, their surprising bond may be the means to transform fear and heartache into the strength that finally guides Julianna home. The Third Hill North of Town is a haunting, imaginative story of human connection and coincidence—a poignant and powerful novel that

ripples with wit and heart. Advance Praise For The Third Hill North Of Town "A brilliant combination of chaos and coincidence. With fresh language and uniquely imperfect characters, Noah Bly weaves a story of a cross-country trek that is both improbable and believable. This fresh, engrossing novel left me convinced of the power of memory, even as it arises from a disturbed mind, and taught me—as Bly promises—the wisdom of faith in the ridiculous." —Anna Jean Mayhew, author of The Dry Grass of August "This is an eerie, haunting, beautifully realized novel populated by

charming misfits and eccentrics." -- Joseph Olshan, author of *Cloudland* "Once *The Third Hill North of Town* turns over its engine, readers will do well to secure their grip on themselves, their loved ones, and any notions they have about guilt and innocence, truth and trust, convenience and blame. By its end, Bly's whirlwind challenges much of what we believe without necessarily meaning to, including those comfortable views on the infinite gradations we lump under the banner of mental illness, including racism. A hell of a journey." --Kyle Beachy, author of *The Slide* "What a wild ride

this novel is! *The Third Hill North of Town* grabs hold and doesn't let go. A story of the tragedy and beauty of coincidence and circumstance, this novel is one that brings the unlikeliest characters together in a way that is somehow both surprising and meaningful." —T. Greenwood, author of *Bodies of Water* "Noah Bly takes readers on an unforgettable ride through America. Well written, page-turning, and hard to put down!" —Jim Kokoris, author of *The Pursuit of Other Interests* "A glorious, madcap American road novel in the picaresque tradition, *The Third Hill North of Town*

explores a dark uncharted territory where vengefulness and desire and coincidence and consequence blow wild through human hearts, tossing people together and tearing them apart. Think *On the Road* written by Flannery O'Connor. A profound meditation on the sanctity of improvised friendships."-- Stephen Lovely, author of *Irreplaceable* **Pride and Pleasure** Nov 30 2022 A thief-taker is out to steal the heart of a bluestocking heiress in this sexy Regency romance by the #1 New York Times bestselling author. One look at the devastatingly handsome Jasper and Eliza knows he's the wrong man for the job. No one will believe an intellectual like her could be matched with a man of action like him. But Jasper is determined to

change her mind. The intriguing mystery—and the undeniable attraction they share—makes this a case he can't resist. For Jasper, client satisfaction is a point of pride. And it's his pleasure to prove he's just the man Eliza needs. "A flawless blend of captivating characters, clever plotting, and searing sensuality."—Booklist
