It is your enormously own times to behave reviewing habit. accompanied by guides you could enjoy now is **Five Go To Demons Rocks Famous 19 Enid Blyton** below.

A tour-de-force by rising indy comics star Gene Yang, American Born Chinese tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable. American Born Chinese is an amazing ride, all the way up to the astonishing climax. American Born Chinese is a 2006 National Book Award Finalist for Young People's Literature, the winner of the 2007 Eisner Award for Best Graphic Album: New, an Eisner Award nominee for Best Coloring and a 2007 Bank Street - Best Children's Book of the Year. This title has Common Core Connections A rollicking, sexy memoir of a young poet making his way in 1960s New York City When he graduated from Columbia in 1958, John Giorno was handsome, charismatic, ambitious, and eager to soak up as much of Manhattan's art and culture as possible. Poetry didn't pay the bills, so he worked on Wall Street, spending his nights at the happenings, underground movie premiers, art shows, and poetry readings that brought the city to life. An intense romantic relationship with Andy Warhol—not yet the global superstar he would soon become—exposed Giorno to even more of the downtown scene, but after starring in Warhol's first movie, Sleep, they drifted apart. Giorno soon found himself involved with Robert Rauschenberg and later Jasper Johns, both relationships fueling his creativity. He quickly became a renowned poet in his own right, working at the intersection of literature and technology, freely crossing genres and mediums alongside the likes of William Burroughs and Brion Gysin. Twenty-five years in the making, and completed shortly before Giorno's death in 2019, Great Demon Kings is the memoir of a singular cultural pioneer: an openly gay man at a time when many artists remained closeted and shunned gay subject matter, and a devout Buddhist whose faith acted as a rudder during a life of tremendous animation, one full of fantastic highs and frightening lows. Studded with appearances by nearly every it-boy and girl of the downtown scene (including a moving portrait of a decades-long friendship with Burroughs), this book offers a joyous, life-affirming, and sensational look at New York City during its creative peak, narrated in the unforgettable voice of one of its most singular characters. Uncover clues with the Famous Five as they search for mystery treasure, discover who's stranded on a haunted island with them and work out who stole important papers from a famous scientist. The world's leading psychiatric authority on demonic possession delves into the hidden world of exorcisms and his own transformation from cynic to believer over the course of his twenty-five-year career. Successful New York psychiatrist Richard Gallagher was skeptical yet intrigued when a hard-nosed, no-nonsense Catholic priest asked him to examine a woman for a possible exorcism. Meeting her, Gallagher was astonished. The woman's behavior defied logic. In an instant, she could pinpoint a person's secret weaknesses. She knew how individuals she'd never known had died, including Gallagher's own mother, who passed away after a lengthy battle with ovarian cancer. She spoke fluently in multiple languages, including Latin—but only when she was in a trance. This was not psychosis, Gallagher concluded. It was, in his scientific estimation, what could only be describe as paranormal ability. The woman wasn't mentally disturbed—she was possessed. This remarkable case was the first of many that Gallagher would encounter. Sought after today by leaders of all faiths—ministers, priests, rabbis and imams, Gallagher has spent a quarter-century studying demonic activity and exorcisms throughout history and has witnessed more cases than any other psychiatrist in the world today. In this eerie and enthralling book, Gallagher chronicles his most famous cases for the first time, including: A professional who claimed her spiritualist mother had “assigned” her a spirit who “turned on her.” A petite woman—“90 pounds soaking wet”—who threw a 200-pound Lutheran deacon across the room to the horror of onlookers in a church hall; And “Julia,” the so-called Satanic queen and self-described witch, who exhibited “the most harrowing” case, a “once-in-a-century” possession. Going beyond horror movies and novels, Demonic Foes takes you deep into this hidden world, sharing in full details of these true-life tales of demonic possession. "Sorority sister Allison Ruth must travel to Throne, the ancient city at the center of the multiverse, in an epic bid to save her boyfriend from the clutches of the seven evil kings that rule creation" -- Dusty Springfield led a tragic yet inspiring life, battling her way to the top of the charts and into the hearts of music fans world-wide. Her signature voice made songs such as "I Only Want to Be with You," "Son of a Preacher Man," and "You Don't Have to Say You Love Me," international hits. In Dancing with Demons, two of her closest friends, Valentine and Wickham, capture, with vivid memories and personal anecdotes, a Dusty most people never glimpsed in this no-holds-barred yet touching portrait of one of the world's true grand dames of popular music. A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace “A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought.”—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for The Demon-Haunted World “Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing.”—The Washington Post Book World “Compelling.”—USA Today “A clear vision of what good science means and why it makes a difference. . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity.”—The Sciences “Passionate.”—San Francisco Examiner-Chronicle Enid Mary Blyton was an English children's writer, whose books have been worldwide bestsellers since the 1930s, selling more than 600 million copies. Her books are still enormously popular and have been translated into 90 languages. As of June 2019, Blyton held 4th place for the most translated author. She wrote on a wide range of topics, including education, natural history, fantasy, mystery, and biblical narratives. She is best remembered today for her Noddy, Famous Five, Secret Seven, the Five Find-Outers, and Malory Towers books. CONTENTS: The Famous Five Books Five on a Treasure Island (1942) Five Go Adventuring Again (1943) Five Run Away Together (1944) Five Go to Smuggler's Top (1945) Five Go Off in a Caravan (1946) Five on Kirrin Island Again (1947) Five Go Off to Camp (1948) Five Get into Trouble (1949) Five Fall into Adventure (1950) Five on a Hike Together (1951) Five Have a Wonderful Time (1952) Five Go Down to the Sea (1953) Five Go to Mystery Moor (1954) Five Have Plenty of Fun (1955) Five on a Secret Trail (1956) Five Go to Billycock Hill (1957) Five Get into a Fix (1958) Five on Finniston Farm (1960) Five Go to Demon's Rocks (1961) Five Have a Mystery to Solve (1962) Five are Together Again (1963) Famous Five Short Stories The Secret Seven Books The Secret Seven (1949) Secret Seven Adventure (1950) Well Done Secret Seven (1951) Secret Seven on the Trail (1952) Go Ahead Secret Seven (1953) Good Work Secret Seven (1954) Secret Seven Win Through (1955) Three Cheers Secret Seven (1956) Secret Seven Mystery (1957) Puzzle for the Secret Seven (1960) Secret Seven Fireworks (1959) Good Old Secret Seven (1960) Shock for the Secret Seven (1961) Look Out Secret Seven (1962) Fun for the Secret Seven (1963) Secret Seven Short Stories Malory Towers Series First Term at Malory Towers (1946) Second Form at Malory Towers (1947) Third Year at Malory Towers (1948) Upper Fourth at Malory Towers (1949) In the Fifth at Malory Towers (1950) Last Term at Malory Towers (1951) The Adventure Series The Five Find-Outers Books Wishing-Chair Series The Amelia Jane Books The Family Series The Farm Series The Circus Series With this handy Necronomicon for kids, and its easy to follow how-to steps, summoning demons has never been so much fun! Since the cottage where they were planning to spend their vacation is crowded, the Five accept the invitation of a new friend to go and stay at his lighthouse. It isn't long before they are all involved in a mystery. Meet Julian, Dick, Anne, George and Timothy. Together they are THE FAMOUS FIVE - Enid Blyton's most popular adventure series. All 21 titles also available as audiobooks! In book nineteen, the Famous Five travel to Demon's Rocks and discover a very old and valuable gold coin. Demon's Rocks is famous for its stories of bountiful treasure, but if the myth is reality, who does the treasure belong to? The Five are determined to find out, but first they need to know who else is exploring Demon's Rocks for the treasure... Fantastic new cover art by Laura Ellen Anderson will draw young readers into this accessible timeless classic. Julian, Dick, Anne, George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series, The Famous Five. This new collection contains three fantastic books in one volume. Five Go to Mystery Moor (Book 13) The Famous Five can't wait to explore peculiar-sounding Mystery Moor. But after spending a night on the heath, they begin to realise it's not just the moor's past that is shrouded in secrets. Could its treacherous mists hide the answer to a brand-new mystery? Five Have Plenty of Fun (Book 14) George is not pleased when a spoilt American girl turns up at Kirrin Cottage. But George hasn't got time to be jealous - Berta is in hiding from kidnappers! The Famous Five are the only ones who can protect her - but will they take on dangerous criminals to help out a stranger? Five On a Secret Trail (Book 15) Anne and George are on a camping trip, waiting for the boys to arrive. One night they see a face at the window of an abandoned cottage close by - and then the Five wake to find ghostly lights... Anne wants to go home but the others are determined to stay. Who could be snooping around the cottage - and why is a nearby gang trying to make them leave? This edition contains three Famous Five adventures (books 13-15) in one volume and features the original cover art and inside drawings by Eileen Soper. “The bard of biological weapons captures the drama of the front lines.”—Richard Danzig, former secretary of the navy The first major bioterror event in the United States—the anthrax attacks in October 2001—was a clarion call for scientists who work with “hot” agents to find ways of protecting civilian populations against biological weapons. In The Demon in the Freezer, his first nonfiction book since The Hot Zone, a #1 New York Times bestseller, Richard Preston takes us into the heart of Usamriid, the United States Army Medical Research Institute of Infectious Diseases at Fort Detrick, Maryland, once the headquarters of the U.S. biological weapons program and now the epicenter of national biodefense. Peter Jahrling, the top scientist at Usamriid, a wry virologist who cut his teeth on Ebola, one of the world’s most lethal emerging viruses, has ORCON security clearance that gives him access to top secret information on bioweapons. His most urgent priority is to develop a drug that will take on smallpox-and win. Eradicated from the planet in 1979 in one of the great triumphs of modern science, the smallpox virus now resides, officially, in only two high-security freezers—at the Centers for Disease Control in Atlanta and in Siberia, at a Russian virology institute called Vector. But the demon in the freezer has been set loose. It is almost certain that illegal stocks are in the possession of hostile states, including Iraq and North Korea. Jahrling is haunted by the thought that biologists in secret labs are using genetic engineering to create a new superpox virus, a smallpox resistant to all vaccines. Usamriid went into a state of Delta Alert on September 11 and activated its emergency response teams when the first anthrax letters were opened in New York and Washington, D.C. Preston reports, in unprecedented detail, on the government’ s response to the attacks and takes us into the ongoing FBI investigation. His story is based on interviews with top-level FBI agents and with Dr. Steven Hatfill. Jahrling is leading a team of scientists doing controversial experiments with live smallpox virus at CDC. Preston takes us into the lab where Jahrling is reawakening smallpox and explains, with cool and devastating precision, what may be at stake if his last bold experiment fails. On holiday at Finniston Farm the Five meet Harry and Harriet, who are identical twins, and join forces with them against some unpleasant American visitors—Junior and his father. Finniston Castle, which was burned down many years ago, interests both parties; especially the dungeons and what is rumoured to be hidden inside them. After a lot of hard digging, the Five find a secret passage which leads towards the dungeons... What is the name of the first book in the Famous Five series? Who is NOT a member of the Five: Julian, Nora or Anne? What does George's father do for a living? So you've read the books, maybe more than once, but how much do you really know about the adventures of the Famous Five? Revisit their best moments and meet all your favourite characters again in this brilliant quiz book. The Famous Five have heard the stories about treasure on Demon's Rocks, but they never thought they were really true, but then they discover a very old and valuable gold coin and what was a myth becomes real. The demon is a mob, and the mob is demonic. The Democratic Party activates mobs, depends on mobs, coddles mobs, publicizes and celebrates mobs—it is the mob. Sweeping in its scope and relentless in its argument, Demonic explains the peculiarities of liberals as standard groupthink behavior. To understand mobs is to understand liberals. In her most provocative book to date, Ann Coulter argues that liberals exhibit all the psychological characteristics of a mob, for instance: Liberal Groupthink: “The same mob mentality that leads otherwise law-abiding people to hurl rocks at cops also leads otherwise intelligent people to refuse to believe anything they haven't heard on NPR.” Liberal Schemes: “No matter how mad the plan is—Fraternité, the ‘New Soviet Man,’ the Master Race, the Great Leap Forward, the Cultural Revolution, Building a New Society, ObamaCare—a mob will believe it.” Liberal Enemies: “Instead of ‘counterrevolutionaries,’ liberals’ opponents are called ‘haters,’ ‘those who seek to divide us,’ ‘tea baggers,’ and ‘right-wing hate groups.’” Meanwhile, conservatives call liberals ‘liberals’—and that makes them testy.” Liberal Justice: “In the world of the liberal, as in the world of Robespierre, there are no crimes, only criminals.” Liberal Violence: “If Charles Manson’s followers hadn’t killed Roman Polanski’s wife, Sharon Tate, Clinton would have pardoned him, too, and he’d probably be teaching at Northwestern University.” Citing the father of mob psychology, Gustave Le Bon, Coulter catalogs the Left’s mob behaviors: the creation of messiahs, the fear of scientific innovation, the mythmaking, the preference for images over words, the lack of morals, and the casual embrace of contradictory ideas. Coulter traces the history of the liberal mob to the French Revolution and Robespierre’s revolutionaries (delineating a clear distinction from America’s founding fathers), who simply proclaimed that they were exercising the “general will” before slaughtering their fellow citizens “for the good of mankind.” Similarly, as Coulter demonstrates, liberal mobs, from student radicals to white-trash racists to anti-war and pro-ObamaCare fanatics today, have consistently used violence to implement their idea of the “general will.” This is not the American tradition; it is the tradition of Stalin, of Hitler, of the guillotine—and the tradition of the American Left. As the heirs of the French Revolution, Democrats have a history that consists of pandering to mobs, time and again, while Republicans, heirs to the American Revolution, have regularly stood for peaceable order. Hoping to muddy this horrifying truth, liberals slanderously accuse conservatives of their own crimes—assassination plots, conspiracy theorizing, political violence, embrace of the Ku Klux Klan. Coulter shows that the truth is the opposite: Political violence—mob violence—is always a Democratic affair. Surveying two centuries of mob movements, Coulter demonstrates that the mob is always destructive. And yet, she argues, beginning with the civil rights movement in the sixties, Americans have lost their natural, inherited aversion to mobs. Indeed, most Americans have no idea what they are even dealing with. Only by recognizing the mobs and their demonic nature can America begin to defend itself. Two Famous Five adventure stories, fully dramatised with music and sound effects. This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, The Screwtape Letters has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to “Our Father Below.” At once wildly comic, deadly serious, and strikingly original, The Screwtape Letters is the most engaging account of temptation—and triumph over it—ever written. Solve the mystery with the Secret Seven - everyone's favourite detective club! These timeless stories are

perfect for young fans of mystery, adventure or detective series. Also available in audiobook! In book five, a sinister-looking man gets George in trouble with the police. The Secret Seven are outraged. Spying on him, the gang are certain he's bad news, but what exactly is he up to?They need to investigate, and solve the mystery, once and for all Solve the mystery! Cover and inside illustrations are by the brilliant Tony Ross, illustrator of David Walliams's books. The story was first published in 1953. This edition features the classic text and comes with a Bonus Blyton section at the back with quizzes, puzzles and other bonus extras! Enid Blyton ©. The Secret Seven © and Enid Blyton's signature are Registered Trademarks of Hodder and Stoughton Limited. No trademark or copyrighted material may be reproduced without the express written permission of the trademark and copyright owner. Containing the first 50 chapters of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Volume 1 begins with Monkey's birth, his secret education in the ways of magic at the hands of the Patriarch, his dealings with the Cloud Emperor, the famous revolt in heaven, and the Great Sage's fall and punishment. Then, with a reprieve, Monkey joins the Tang Priest as his guide to India. Paired with the monster Pig and Friar Sand, the quartet embark on a quest at once dazzling and comic, with non-stop action. "Five Go Adventuring Again" by Enid Blyton. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. From the multi-million copy bestselling author of Flight Behaviour and The Poisonwood Bible comes this heart-rending instant classic. NEW YORK TIMES BESTSELLER • In the final book of his astonishing career, Carl Sagan brilliantly examines the burning questions of our lives, our world, and the universe around us. These luminous, entertaining essays travel both the vastness of the cosmos and the intimacy of the human mind, posing such fascinating questions as how did the universe originate and how will it end, and how can we meld science and compassion to meet the challenges of the coming century? Here, too, is a rare, private glimpse of Sagan's thoughts about love, death, and God as he struggled with fatal disease. Ever forward-looking and vibrant with the sparkle of his unquenchable curiosity, Billions & Billions is a testament to one of the great scientific minds of our day. Praise for Billions & Billions “[Sagan’s] writing brims with optimism, clarity and compassion.”—Ft. Lauderdale Sun-Sentinel “Sagan used the spotlight of his fame to illuminate the abyss into which stupidity, greed, and the lust for power may yet dump us. All of those interests and causes are handsomely represented in Billions & Billions.”—The Washington Post Book World “Astronomer Carl Sagan didn’t live to see the millennium, but he probably has done more than any other popular scientist to prepare us for its arrival.”—Atlanta Journal & Constitution “Billions & Billions can be interpreted as the Silent Spring for the current generation. . . . Human history includes a number of leaders with great minds who gave us theories about our universe and origins that ran contrary to religious dogma. Galileo determined that the Earth revolved around the Sun, not the other way around. Darwin challenged Creationism with his Evolution of Species. And now, Sagan has given the world its latest challenge: Billions & Billions.”—San Antonio Express-News “[Sagan’s] inspiration and boundless curiosity live on in the gift of his work.”—Seattle Times & Post-Intelligencer “Couldn’t stay awake in your high school science classes? This book can help fill in the holes. Acclaimed scientist Carl Sagan combines his logic and knowledge with wit and humor to make a potentially dry subject enjoyable to read.”—The Dallas Morning News Learning to destroy demons won’t be easy, and Tanjiro barely knows where to start. The surprise appearance of another boy named Giyu, who seems to know what’s going on, might provide some answers—but only if Tanjiro can stop Giyu from killing his sister first! -- VIZ Media Features a collection of short stories about the surreal yet dark lives of individuals considered outcasts, misfits, or peculiar to loved ones or the outside world. Meet Julian, Dick, Anne, George and Timothy. Together they are THE FAMOUS FIVE - Enid Blyton's most popular adventure series. All 21 titles also available as audiobooks! In book thirteen, the Famous Five find out about something dangerous out in Mystery Moor. They'll have to risk the treacherous mists and follow the trail if they want to find what's lurking in the shadows. Do they know what they've let themselves in for? Fantastic new cover art by Laura Ellen Anderson will draw young readers into this accessible timeless classic. DigiCat Publishing presents to you this special edition of "Five on a Treasure Island" by Enid Blyton. DigiCat Publishing considers every written word to be a legacy of humankind. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Can a half-demon and a tired rock star find a happy ending? Rock legend Kris Starr has a problem or two. He’s getting older, he can’t seem to write anything new, he’s supposed to be recording a Midwinter holiday album, and he’s afraid he’s falling in love with Justin Moore, his manager. But Justin’s very good at keeping secrets, and he has a few -- like his demonic inheritance, his family’s history, and his crush on Kris Starr, rock and roll icon. But when all Justin’s secrets start to come out, he’ll need Kris’s help ... and they’ll write a new love song or two along the way. This box set combines together all nine books in K.L. Noone's best-selling series featuring Kris and Justin. Contains the stories: A Demon for Midwinter: Kris Starr used to be famous. Sold-out rock shows. Empathic talents. But he has a problem or two. He's having a hard time writing songs. It's Midwinter, full of depressing holiday cheer. He's in love with Justin, his new manager, who has a talent for rescuing almost- or once-famous bands. And Justin’s hiding secrets: about literal demons, his past, and his own feelings for Kris ... Lightning in a Bottle: Despite his skill with a guitar, Adam’s never had much stage presence -- he leaves that to Lee, his band’s lead singer, who makes his lyrics rock. The problem is, Adam's lyrics are secret love letters for Lee, though he's never had the courage to say so. But when a legendary rock star and scandalous sex demon turn up at their show, Adam might finally figure out how to get everything he wants. Love Songs for Every Day: Kris and Justin don’t do interviews. Two years after demonic revelations, forever entwined with Kris Starr’s return to the spotlight, they’ll open up about pro-demon activism, classic rock, rescuing cats, and coffee versus tea -- plus what exactly happened to Justin that night, love songs, and happy endings. Sunlight and Gold: Can a rock star marry a demon? That question’s on Justin’s mind. He’s moved in with Kris; they’re wildly happy. He is half human, though -- and he likes the idea of the human ritual. But Kris Starr, rock legend, never has. So Justin can’t ask. Kris isn’t convinced he’s great at domesticity. But he’s pretty sure his half-demon boyfriend wants a very human commitment. And maybe Kris wants that, too. A Demon for Forever: A demon, a rock star, and wedding bells! Justin’s always wanted to get married and has thrown himself into wedding plans. But the world’s watching. Kris wants to give his demon fiancé a perfect day, whether that means carrot cake or support for Justin wearing a wedding dress. But Justin wants him to reconcile with his father, so Kris will have to try. The Demon's Choice: Kris has never been happier: back on tour, making music, and married to the love of his life, half-demon Justin. But an accident leaves Justin unable to use magic until his demon family offers him a terrible choice. Losing his magic leaves him empty until he’s shown a way to get it back. But if he agrees, he’ll give up his human half ... along with his life with Kris. Snowed In: Kit & Harry: Someone or something is causing magical blizzards at Fairleigh Hall. Constable Kit Thompson is to investigate. The Earl’s brother, Harry Arden, wants to help, but he’s an irritating temptation. The estate hides a family secret. When they end up snowed in together at the old hunting lodge, they’ll learn to trust each other with their secrets ... and their hearts. Bedknobs and Brimstone: Some days married life is great. And some days your husband’s demon magic sets the bed on fire. But Kris wouldn’t change a thing. If living together costs them some furniture, it’s fine. Justin’s still not used to his new powers. They’re unpredictable, and he’s worried: what if he hurts Kris? Fortunately, Justin’s husband’s very good at reassuring him. A Demon's Very Good Morning: Justin's never been happier. He's proud of his demon heritage, he has his rock-star empath husband, he and Kris are wildly in love, and they have a big family celebration today. But he's waking up alone in bed. And he can hear his husband's emotions. Families aren't easy. But if Kris needs some reassurance, Justin knows exactly how to help. The classic Hanukkah tale, shared by families all around the world-- now available in a beautiful anniversary edition. A Caldecott Honor book. An original tale featuring a traditional Jewish folk hero, this clever story, which received a Sydney Taylor Honor, has been a family favorite for decades. On the first night of Hanukkah, a weary traveler named Hershel of Ostropol eagerly approaches a village, where plenty of latkes and merriment should warm him. But when he arrives not a single candle is lit. A band of frightful goblins has taken over the synagogue, and the villagers cannot celebrate at all! Hershel vows to help them. Using his wits, the clever trickster faces down one goblin after the next, night after night. But can one man alone save Hanukkah and live to tell the tale? Trina Schart Hyman’s leering goblins are equal parts terrifying and ridiculous as they match wits with Hershel, trying to keep him from lighting the menorah and celebrating Hanukkah. This beautiful 25th Anniversary Edition includes an insightful afterword from the author and publisher explaining the book’s origins, and remembering Trina Schart Hyman, the illustrator who brought the tale to life. This classic picture book is a perfect Hanukkah gift and a wonderful read-aloud. For more tales of this clever folk hero, read The Adventures of Hershel of Ostropol— another collaboration between master storyteller Eric A. Kimmel and Trina Schart Hyman. Caldecott Honor Book ALA Notable Children’s Book NCTE Notable Children’s Book in the Language Arts A Sydney Taylor Award Honor Book Colorado Children’s Book Award Washington Children's Choice Picture Book Award Kris Starr used to be famous. Rock and roll. Sold-out shows. Literal magic. Empathic talents and screaming fans. But he has a problem or two. He's having a hard time writing new music. It's Midwinter, which means he's surrounded by depressing holiday cheer. And he's in love with Justin, his manager, who has a talent for rescuing almost- or once-famous bands ... and who's hiding secrets of his own. Justin Moore, on the other hand, is very good at keeping those secrets -- he's had to be for years. One secret involves a demonic inheritance that would make him a target of suspicion. Another involves his past. And the third involves Justin’s feelings for Kris Starr, rock and roll icon and now his client ... and a powerful empath of his own.
