bestselling Morganville Vampires series

together for the first time in a new trade paperback edition. Morganville is a small college town in the heart of Texas-not a place that exactly screams "hotbed of creatures of the night". But college freshman Claire Danvers is about to discover why, in Morganville, you should never, ever stay out after dark... Glass Houses College freshman Claire Danvers moves off campus and into an old house in the small town of Morganville. Her new roommates have her back when the town's deepest secrets come crawling out, hungry for fresh blood... The Dead Girls' Dance Claire may have a great roommate and a new boyfriend, but when she's invited to the Dead Girls' Dance all hell breaks loose-literally. Because this time, the living and the dead are ready to tear up the night... College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. When Claire heads off-campus, the imposing old house where she finds a room may not be much better. Her new roommates don't show many signs of life. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh

blood. Watch a Windows Media trailer for this book. It has been some years since Jonathan and Mina Harker survived their ordeal in Transylvania and, vanquishing Count Dracula, returned to England to try and live ordinary lives. But shadows linger long and, the older their son Quincey gets, the deeper the shadows at the heart of the Harker family. Whilst, on the Continent, the vestiges of something forgotten long is finally beginning to stir. A thrilling retelling of the star-crossed tale of Romeo and Juliet, from the New York Times bestselling author of the Morganville Vampires series. In the Houses of Montague and Capulet, there is only one goal: power. The boys are born to fight and die for honor and—if they survive—marry for influence and money, not love. The girls are assets, to be spent wisely. Their wishes are of no import. Their fates are written on the day they are born. Benvolio Montague, cousin to Romeo, knows all this. He expects to die for his cousin, for his house, but a spark of rebellion still lives inside him. At night, he is the Prince of Shadows, the greatest thief in Verona—and he risks all as he steals from House Capulet. In doing so, he sets eyes on convent-bound Rosaline, and a

terrible curse begins that will claim the lives of many in Verona... ..And will rewrite all their fates, forever. Includes an original Sookie Stackhouse story "Clever...entertaining... excellent"(Library Journal) original vampire stories by Charlaine Harris, Jim Butcher, Kelley Armstrong, and more.
