In this landmark book, esteemed Buddhist teacher Sylvia Boorstein addresses this incisive question in a warm, delightful and personal way. With the same down-to-earth charm and wit that have endeared her to her many students and readers, Boorstein shows how one can be both an observant Jew and a passionately committed Buddhist. Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice. Amid the lush abundance of Java's landscape, two boys spend their days exploring the vast lakes and teeming forests. But as time passes the boys come to realize that their shared sense of adventure cannot bridge the gulf between their backgrounds, for one is the son of a Dutch plantation owner, and the other the son of a servant. Inevitably, as they grow up, they grow estranged and it is not until years later that they meet again. It will be an explosive and emblematic meeting that marks them even more deeply than their childhood friendship did. Buku ini mengisahkan perjalanan cinta dua insan yang dipertemukan dalam sebuah perjodohan. Mereka adalah Ahsan Fahmi Haidar dan Aisyah Farhana. Buku ini mengisahkan perjalanan cinta mereka berdua dari awal perjodohan yang penuh dengan pertengkaran hingga akhirnya mereka saling menerima satu sama lain. Sebagai manusia dewasa, banyak hal yang kita sadari akhir-akhir ini bukan? Salah satu hal yang sering dipikirkan oleh kita adalah mengenang kembali pengalaman pengasuhan yang kita alami semasa bersama bapak ibu. Pengalaman ini tentu ada yang menyenangkan ada yang membuat perasaan kita berkecamuk hingga sekarang, hingga kita menyalahkan dan sulit memaa kan keadaan. Perasaan-perasaan itu menggerogoti jiwa melalui penyesalan. Menyebalkan sekali rasanya. Tenang saja, kita senasib. Dan buku ini sedikit mengobati. Konon katanya, menulis dapat dijadikan sebuah terapi untuk menenangkan hati. Menuliskan apa yang kita rasakan, mendefinisikan apa yang membuat kita terluka, apa yang membuat kita bahagia, apa yang kita bingungkan, hingga setidaknya segala keruwetan didalam pikiran, terurai sedikit demi sedikit. Buku 100+ Tempat Wisata dan Budaya di Indonesia ini merupakan kumpulan tempat wisata paling direkomendasikan untuk kita kunjungi, mulai dari pantai hingga pegunungan, wisata budaya, kuliner, hingga wisata swafoto, yang bisa menjadi referensi pilihan wisata di setiap kota. Buku ini diharapkan dapat memberikan sumbangan pada proses-proses pembangunan perdamaian di Indonesia, terutama melalui kerukunan dan kondisi sosial antar kelompok-kelompok aliran keagamaan. Menguatnya semangat untuk melaksanakan ritual-ritual agama dan meningkatnya penggunaan simbol-simbol keagamaan yang sedang berkembang di Indonesia sering diikuti oleh pemahaman dan penafsiran terhadap teks keagamaan secara literal. Hal ini mengakibatkan berkembangnya fundamentalisme dan konservatisme beragama yang pada tingkat tertentu memunculkan perubahan perspektif tentang bineka tunggal ika dan pluralisme. Kalau kondisi seperti ini dibiarkan dalam jangka panjang akan memunculkan ancaman terhadap integrasi sosial dan pembiaran terhadap kekerasan yang mengatasnamakan agama. Dengan demikian, strategi menjaga ketahanan sosial melalui pengembangan nilai-nilai toleransi beragama sangat relevan untuk untuk menjaga keberlangsungan kehidupan berbangsa dan bernegara. She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match—both on and off the page—but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams? A love story set in the intricate political world of Javanese royalty under Dutch and British colonial reign.

A Scottish academic, journeying to the island of Java in 1811, is quickly drawn into the struggle of the Javanese people as they fight back against colonial powers and their own corrupt aristocracy.--Publisher. PEMENANG KETIGA SAYEMBARA NOVEL DKJ 2019 . Haniyah mencintai pohon-pohon cengkkih, karena tanaman ini bisa berbagi kehidupan dengan tanaman-tanaman lainnya. Tubuhmu harum cengkkih, kata Ala. Saja dilahirkan dan mati di dalam hutan cengkkih. --- Di luar Rumah Teteruga, angin utara berembus dingin, kering, dan kencang, menggoyangkan ranting-ranting pohon gandaria dan matoa, menimbulkan suara gesekan di dinding rumah. Ala teringat kata-kata Ido, Ada orang-orang yang tumbuh kejam dalam kehidupan ini, mereka tidak digelayuti rasa bersalah dan memiliki hasrat melahap yang tak pernah surut, mereka sungguh menakutkan ketimbang hantu dan hewan-hewan buas. Dengan pelukisan suasana dan tradisi lokal yang kuat, pemerian karakter yang wajar dan hidup, naskah ini mengedepankan warga desa yang sederhana dalam hidupnya, di tengah pelbagai masalah yang merundung mereka. Novel etnografis ini tidak terjebak untuk sok eksotis, tetapi tampil wajar, termasuk tuturan bahasa Indonesia rasa lokal khas masyarakat setempat. Catatan Juri Sayembara Novel Dewan Kesenian Jakarta 2019 After assembling his own "private security" force made up of the able and disenchanting from the U.S. military and British Secret Intelligence Service, Mad Dog and his team are off to Angola to recover a missing cache of gemstones. But does he really need to change to keep Brittany's love? An epic historical saga, Home expands Oscar-nominated documentary The Act of Killing's scope to delve into Indonesia's tragic 20th century Penelitian Bakdi Soemanto ini mendeskripsikan dan menguraikan proses perkembangan drama Indonesia pada tahun 1960-an dan 1970-an, ketika kecenderungan ke arah teknik penulisan naskah absurd mencapai puncaknya. Naskah-naskah yang diikutkan dalam sayembara penulisan naskah drama yang diselenggarakan Dewan Kesenian Jakarta pada tahun 1970an merupakan bukti yang tidak terbantah. Juga pementasan yang diselenggarakan oleh begitu banyak kelompok teater, tidak hanya di Jakarta, tetapi juga di kota-kota besar dan kecil lain, merupakan indikasi betapa besar pengaruh teater absurd terhadap perkembangan teater kita. Beberapa naskah drama yang dihasilkan oleh Putu Wijaya, Vredi Kastam Marta, Akhudiati, Yudhistira Ardi Noegraha, dan Noorca Marendra—misalnya—membuktikan bahwa tradisi teater absurd ada di Indonesia. Istilah teater absurd dipergunakan, antara lain oleh Martin Esslin untuk jenis teater yang mengungkapkan kegagalan bahasa sebagai alat komunikasi, seperti yang juga disampaikan oleh Eugene Ionesco, salah seorang penulis teater absurd yang drama-dramanya pernah juga diterjemahkan dan dipentaskan di sini. Ketiadaan komunikasi itu dicerminkan dalam alur yang tidak jelas ujung pangkalnya, penokohan yang tidak juntrung perkembangannya, ujung dan pangkal yang ternyata sama atau serupa, dan tentu saja dialog yang tidak menunjukkan adanya saling memahami di antara tokoh-tokohnya. Dalam uraiannya ini, Bakdi Soemanto mengungkapkan bahwa ternyata apa yang telah terjadi di negeri ini mirip dengan yang telah berlangsung di Amerika Serikat. Pementasan Waiting for Godot mendapat sambutan tidak hanya dari khalayak, tetapi juga dari beberapa dramawan. Resepsi dramawan seperti Jack Gelber dan Edward Albee atas karya Beckett itu telah menghasilkan jenis drama baru yang oleh Esslin kemudian juga digolongkan ke dalam teater absurd. Dengan bertumpu pada analisis atas Waiting for Godot, karangan yang ditulis dengan sangat lancar ini telah berhasil memberikan gambaran dan uraian mengenai berlangsungnya proses pengaruh gaya penulisan, reproduksi ideologi, dan usaha untuk mengungkapkan berbagai masalah yang dirasa tidak bisa lagi diungkapkan dengan cara yang sebelumnya telah ada. Published in Indonesia in 2005, The Rainbow Troops, Andrea Hirata's closely autobiographical debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitung, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's The Kite Runner: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve. Hanya sedikit tokoh dunia yang bisa menggerakkan penikmat olahraga dan masyarakat secara luas seperti Muhammad Ali. Banyak juga yang mencoba menafsirkan kembali pengaruh dan warisannya ke dalam tulisan. Kini, Muhammad Ali: A Tribute to the Greatest memberikan kesempatan bagi kita untuk mengapresiasi secara mendalam kebenaran di balik sosok ini—sekaligus memahami Ali dan cara-cara yang ia gunakan untuk menafsirkan kembali pandangan dunia mengenai sosoknya yang penuh kontroversi. Lewat buku ini, Thomas Hauser, penulis buku laris versi The New York Times yang mendapatkan kepercayaan penuh dari Ali untuk menuliskan biografinya, memberikan sudut pandang terbaru tentang kehidupan sang petinju legendaris. Berdasarkan kedekatan personal, wawancara dengan kawan-kawan dekat dan orang-orang yang sezaman dengan Ali, serta laporan jurnalistik mengenai tinju yang mutakhir selama beberapa dekade, Hauser mengeksplorasi Ali secara terperinci, baik di dalam maupun di luar ring tinju. Muhammad Ali: A Tribute to the Greatest menguliti perubahan ini untuk mengungkapkan sosok Ali yang sebenarnya. Sosok yang penuh cinta kasih, menjunjung tinggi perdamaian, kebanggaannya akan Islam dan persamaan hak manusia, hingga responsnya terhadap dunia sekitar yang membenci sekaligus mencintainya. [Mizan, Bentang Pustaka, Biografi, Official, Sosok, Ali, Olahraga, Atlet, Terjemahan, Indonesia] Mari kuceritakan kisah sedih tentang kehilangan. Rasa sakit yang merupa serta perih yang menjejalkan duka. Namun, jangan terlalu bersedih, karena aku akan menceritakan pula tentang harapan. Tentang cinta yang tetap menyedia meski takdir hampir kehilangan pegangan. Mari kuceritakan tentang orang-orang yang bertemu di bawah langit sewarna biru. Orang-orang yang memilih marah, lalu saling menorehkan luka. Juga kisah orang-orang yang memilih berjalan bersedis, dengan tangan tetap saling memegang. Mari, mari kuceritakan tentang marah, tentang sedih, tentang langit dan senja yang tak searah, juga tentang cinta yang selalu ada dalam tiap cerita. \*\*\*"Kei dituturkan lewat penokohan yang dinamis dan mendalam, pengelolaan alur yang intens dan kompleks tanpa menjadikan jalan cerita hilang. Latar yang dipilih pengarang berpadu secara selaras dengan konflik utama dalam cerita." Pidato A.S. Laksana — Sastrawan dan Juri Sayembara Menulis Novel Dewan Kesenian Jakarta 2012 -GagasMedia- Vivid, bawdy, comic, and arresting, the exciting new novel by the Indonesian phenomenon, Eka Kurniawan Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman by two policemen. Deeply traumatized, he becomes impotent. His efforts to get his virility back all fail, and Ajo Kawir turns to fighting as a way to vent his frustrations. He gets such a fearsome reputation as a brawler that he is hired to kill a thug named The Tiger, but instead Ajo Kawir falls in love with Iteung, a gorgeous female bodyguard who works for the local mafia. Alas, the course of true love never did run smooth... Fast-forward a decade. Now a truck driver, Ajo Kawir has reached a new equanimity, thinking that his penis may be trying to teach him a lesson and even consulting it in many situations as if it were his guru—love may yet triumph. Vengeance Is Mine, All Others Pay Cash shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent male world dominated by petty criminals and a corrupt police state. Juan Cole examines Shi'i Islam as a world religion that has faced modernity on its own terms. He explores the little known history of Shi'i communities as far afield as Bahrain and India, giving attention as well to important centers such as Lebanon, Iraq, and Iran. He demonstrates the way in which the Shi'is have sought to define space and time as sacred, and to defend those spaces from encroachment by the Other, whether that other be Sunni Arab, Hindu, or European Christian. "Dan Neuharth's book demystifies much within our pasts that can hurt our intimate relationships in ways we may not even realize. If You Had Controlling Parents helps spark understanding and acceptance across generations." — John Gray, Ph.D., author of Men Are from Mars, Women Are from Venus Do you sometimes feel as if you are living your life to please others? Offering compassion, not blame, Dr. Neuharth helps you make peace with your past and avoid overcontrolling your children and other loved ones. The Tao of Islam is a rich and diverse anthology of Islamic teachings on the nature of the relationships between God and the world, the world and the

human being, and the human being and God. Focusing on gender symbolism, Sachiko Murata shows that Muslim authors frequently analyze the divine reality and its connections with the cosmic and human domains with a view toward a complementarity or polarity of principles that is analogous to the Chinese idea of yin/yang. Murata believes that the unity of Islamic thought is found, not so much in the ideas discussed, as in the types of relationships that are set up among realities. She pays particular attention to the views of various figures commonly known as "Sufis" and "philosophers," since they approach these topics with a flexibility and subtlety not found in other schools of thought. She translates several hundred pages, most for the first time, from more than thirty important Muslims including the Ikhwan al-Safa', Avicenna, and Ibn al-Arabi. Sachiko Murata is Professor of Religious Studies at the State University of New York, Stony Brook. Buku ini ditulis oleh para akademisi, pakar, dan praktisi yang ada di Indonesia. Terdiri dari 13 bab yang membahas pengertian, perspektif, sejarah, ruang lingkup, tujuan, prinsip, strategi dan fungsi komunikasi pembangunan, psikologi dalam komunikasi pembangunan, teori-teori komunikasi dalam proses pembangunan, komunikasi dan perspektif dominan, kritik terhadap perspektif dominan, media rakyat (folk media) dan teknologi komunikasi, perencanaan komunikasi pembangunan, serta komunikasi pembangunan dan penerapannya di berbagai bidang. A young Muslim woman and Protestant man find love during a religious conflict that threatens to consume the Pacific islands of Kei. At the end of Suharto's New Order, the Kei people hold on to their traditions as they flee the violence that divides Muslim from Christian and destroys the villages. Namira, a Muslim girl, works as a volunteer in a refugee camp when she meets Sala, a young Protestant man. Grounded in the islander's belief of "We drink from the same spring and eat from the same land, the land of Kei," the two fall in love amid the chaos that will soon separate them. Erni Aladjai earned her degree in French literature from the Hasanudin University in Sulawesi. She has worked as a journalist and news editor, and managed a learning institution. Her novel, *Kei*, took first place in the 2011 Jakarta Arts Council novel competition. Erni is also the author of *Pesan Cinta dari Hujan* (Messages of Love from the Rain, Insist Press, 2010) and *Ning di Bawah Gerhana* (Ning Under Eclipse, Bumen Pustaka Emas, 2013). *Kei* is a brave first novel exploring the troubled entanglement of two young lovers who find themselves on opposing sides in the sectarian violence that marked the dawning of the twenty-first century in the Moluccas. The Kei islands form the southern flank of the Spice Islands, the scattering of small islands whose cloves and nutmeg launched Christopher Columbus' ships, brought the Western world to its shores, and helped change the shape of history. Erni Aladjai invites the reader into a world marked by conflict and loss-heritage of the long era of colonial domination-but also, and importantly, writes of love, healing, and hope, rooted in the power of age-old local customs to make peace possible. -Sylvia Tiwon, Associate Professor, University of California at Berkeley Strong in local color and portraying the rich culture of the island communities, *Kei* is about the events that are an unspoken part of Indonesian history. Erni Aladjai shows the reader that the horrors of the past need to be remembered, so they will not be repeated in the future. -Melani Budianta, Professor of Literary and Cultural Studies, University of Indonesia *Kei* tells the story of two young islanders, Namira and Sala, who discover love in the midst of violence. Though of different faiths, they are united in the strong belief that the best way to express love is to be selfless and care about the needs of others. A sincere heart is the only cure for dangerous times. -Josephina Maria Mantik, Faculty of Humanities, University of Indonesia *On God and Other Unfinished Things* is a poetry collection and also "scraps of thought" from Goenawan Mohamad. A word "scraps" is apt for the task at hand because this is hardly a full script. Each of its parts was written with something close to brevity a cut or a remnant of sorts of a larger piece, or notes taken while traveling. All 99 of these "scraps" can be read sometimes as parts that support or refute one another, and at other times as pieces that stand on their own. All were written in times when God seemed to be irrefutable and Religion & Spirituality gained ever more currency in the lives of many: dispensing strength and illuminating the path ahead, but times which were at the same time threatening. "Bolehkah aku memanggilmu burung gagak?" Mae mengalihkan pembicaraan dengan spontan. Sehingga Ken tertawa. "Kenapa mesti gagak?" "Itu semacam panggilan sayang. Lagi pula kau berpakaian hitam-hitam melulu, aku jadi teringat burung gagak." Ken tersenyum kecil. Mae gadis Indonesia memulai kehidupan baru di Sapporo. Di Sapporo ia hanya memiliki satu kawan, Kakek Yoshinaga—tetangga apartemennya, yang selalu meminta dia membacakan surat-surat cinta masa lalu. Mae bahagia, hari-harinya di Sapporo tak terasa muram. Namun di suatu waktu, Kakek Yoshinaga di temukan wafat di kamar mandi. Kepergian Kakek Yoshinaga yang mendadak, membuat hidup Mae jauh berubah. Dia kemudian bertemu Nenek Osano—seorang nenek tangguh penjual mi ramen. Dia berkenalan dengan Tamia—seorang kawan yang ditabraknya. Tapi yang paling membuat hidupnya semakin pahit-manis adalah ketika dia bertemu Ken, pemuda berantakan dan bertingkah misterius yang tiba-tiba datang menempati apartemen Kakek Yoshinaga. Ken datang seperti seekor burung gagak. Membawa keburukan, kegelapan hidup keluarganya, tapi di sisi lain dia juga membawa kebaikan buat Mae. Mengajarkan Mae bahwa rasa sakit, rasa kehilangan, rasa bahagia adalah hidup yang sesungguhnya. Bahwa hidup adalah juga sebuah belantara. "Mystery, romance, jealousy, betrayal, humor, and gorgeous, historically accurate details. I couldn't put *The Luxe* down!" —Cecily von Ziegesar, author of the #1 New York Times bestselling *Gossip Girl* series In this book researchers investigate what happened after violent protests all over the country had forced President Suharto to step down in 1998 and Indonesia successfully made the transition from an authoritarian state to a democracy. This title was made Open Access by libraries from around the world through Knowledge Unlatched. The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature. This is a story based on the Influenza of 1918. It is written from the perspective of one man and his inability to save his family and town from this deadly disease. To this day, the influenza of 1918 remains a mystery. It spread with alarming speed across the country and, after it ran its deadly course, the pandemic had taken more than 600,000 lives in America, 40 million worldwide. "Earth Dance," the story of four generations of Balinese women, centers on conflicts that arise between the demands of caste and personal desires. Narrated by Ida Ayu Telaga, a Balinese woman in her thirties, the novel shows Balinese women-as depicted by her mother, grandmother and female peers-to be motivated by two factors: the yearning to be beautiful, and the desire for a high-caste husband. Headstrong Telaga defies her mother's wishes and marries the man of her dreams, who is a commoner. Thus, in a reversal of societal expectations, as shown in the novel by images of women who aspire to "liberation" through "marrying up," Telaga's emancipation is implicitly characterized as a move downwards, through transformation to the status of a commoner. "Earth Dance" also reveals that-like high-caste status-beauty, too, has a price. Behind the thick, glossy hair and golden complexion, lies a web of jealousy, derision and intrigue. Telaga, whose life is controlled by her mother's avarice, her mother-in-law's bitterness and the greed of her sister-in-law, has frequent cause to wonder: "Is this what it means to be a woman?" Bertahan sebagai pengungsi di negara sendiri tidaklah mudah. Ini dialami oleh komunitas Syiah di Sidoarjo dan komunitas Ahmadiyah di Mataram. Selain harus menghadapi pelbagai tekanan arus dominan mayoritas Muslim yang berpahamkan Sunni, akibat adanya perbedaan interpretasi teks kitab suci dalam agama Islam, praktik-praktik keber-Islam-an, dan gesekan konflik politik ekonomi pada aras lokal, mereka harus menghidupi diri untuk bertahan hidup mencukupi keperluan harian mereka di tempat pengungsian selama bertahun-tahun. Dengan memaparkan sejarah munculnya Syiah dan Ahmadiyah, konflik lokal yang terjadi, dan narasi kedua komunitas Muslim tersebut, terutama strategi mereka bertahan hidup, buku ini mengkritik konsep ketahanan sosial yang selama ini cenderung digunakan dalam perspektif developmentalistik; menggunakan konsep modal sosial sebagai bagian dari strategi bertahan. Sebaliknya, tim penulis justru menggunakan ketahanan sosial untuk melihat strategi kedua komunitas tersebut dalam memperjuangkan pengakuan, yaitu pemenuhan hak-hak dasar warga negara dan intervensi negara untuk melindungi minoritas dan membentuk masyarakat multiagama yang toleran. Lebih jauh, secara praktis, studi ini mengajukan rekomendasi kebijakan kepada lembaga-lembaga negara dan rekomendasi gagasan kepada stakeholders tentang kemungkinan metode reintegrasi pengungsi komunitas dan pengelolaan potensi konflik kekerasan antara kelompok minoritas agama dengan kelompok arus utama yang berbeda.
