**The Ice Princess Jul 28 2020 “A top-notch thriller, one of the best of the genre” (Minneapolis Star Tribune) from international crime-writing sensation Camilla Läckberg tells the story of brutal murders in a small Swedish fishing village, and the shattering, decades-old secrets that precipitated them. In this electrifying tale of suspense from an international crime-writing sensation, a grisly death exposes the dark heart of a Scandinavian seaside village. Erica Falck returns to her tiny, remote hometown of Fjällbacka, Sweden, after her parents’ deaths only to encounter another tragedy: the suicide of her childhood best friend, Alex. It’s Erica herself who finds Alex’s body—suspended in a bathtub of frozen water, her wrists slashed. Erica is bewildered: Why would a beautiful woman who had it all take her own life? Teaming up with police detective Patrik Hedström, Erica begins to uncover shocking events from Alex’s childhood. As one horrifying fact after another comes to light, Erica and Patrik’s curiosity gives way to obsession—and their flirtation grows into uncontrollable attraction. But it’s not long before**

one thing becomes very clear: a deadly secret is at stake, and there's someone out there who will do anything—even commit murder—to protect it. Fans of Scandinavian greats Stieg Larsson and Henning Mankell will devour Camilla Läckberg's penetrating portrait of human nature at its darkest.

**BESTSELLER • From the #1 New York Times bestselling author of *Gone Girl*, and the basis for the major motion picture starring Charlize Theron *Libby Day* was seven when her mother and two sisters were murdered in “The Satan Sacrifice of Kinnakee, Kansas.” She survived—and famously testified that her fifteen-year-old brother, Ben, was the killer. Twenty-five years later, the Kill Club—a secret society obsessed with notorious crimes—locates Libby and pumps her for details. They hope to discover proof that may free Ben. Libby hopes to turn a profit off her tragic history: She’ll reconnect with the players from that night and report her findings to the club—for a fee. As Libby’s search takes her from shabby Missouri strip clubs to abandoned Oklahoma tourist towns, the unimaginable truth emerges, and Libby finds herself right back where she started—on the run from a killer. Praise for *Dark Places* “[A] nerve-fraying thriller.”—The New York Times “Flynn’s well-paced story deftly shows the fallibility of memory and the lies a child tells herself to get through a trauma.”—The New Yorker “Gillian Flynn coolly demolished the notion that little girls are made of sugar and spice in *Sharp Objects*, her sensuous and chilling first thriller. ***Peeking at Peak Oil* Jun 26 2020** The term “Peak Oil” was born in January 2001 when Colin Campbell formed the Association for the Study of Peak Oil & Gas (ASPO). Now, Peak Oil is used thousands of times a day by journalists, politicians, industry leaders, economists, scientists and countless others around the globe. Peak Oil is not the end of oil but it tells us the end is in sight. Anyone interested in food production, economic growth, climate change or global security needs to understand this new reality. In *Peeking at Peak Oil* Professor Kjell Aleklett, President of ASPO International and head of the world’s leading research group on Peak Oil, describes the decade-long journey of Peak Oil from extremist fringe theory to today’s accepted fact: Global

In simple steps, Kjell tells us how oil is formed, discovered and produced. He uses science to reveal the errors and deceit of national and international oil authorities, companies and governments too terrified to admit the truth. He describes his personal involvement in the intrigues of the past decade. What happens when a handful of giant oil fields containing two thirds of our planet's oil become depleted? Will major oil consumers such as the EU and US face rationing within a decade? Will oil producing nations conserve their own oil when they realize that no one can export oil to them in the future? Does Peak Oil mean Peak Economic Growth? If you want to know the real story about energy today and what the future has in store, then you need to be "Peeking at Peak Oil".**

**Encyclopedia of Nordic Crime Fiction Oct 23 2022 Since the late 1960s, the novels of Sjowall and Wahloo's Martin Beck detective series, along with the works of Henning Mankell, Hakan Nesser and Stieg Larsson, have sparked an explosion of Nordic crime fiction--grim police procedurals treating urgent sociopolitical issues affecting the contemporary world. Steeped in noir techniques and viewpoints, many of these novels are reaching international audiences through film and**

Caught between the demands of conscience and societal strictures, the detectives in these stories--like the heroes of Norse mythology--know that they and their world must perish, but fight on regardless of cost. **Trauma Dec 13 2021 Trauma es el segundo volumen de la trilogía Los rostros de Victoria Bergman: un viaje a las profundidades de la psique humana. La detective Jeanette Kihlberg está haciendo terribles esfuerzos para resolver los casos de asesinato de unos jóvenes inmigrantes. Sin embargo, la investigación es interrumpida cuando un exitoso hombre de negocios aparece brutalmente asesinado -a modo de ritual- en el centro de Estocolmo. Todo parece indicar que es un acto de venganza, pero ¿cuál es el sentido de esta venganza? La psicoterapeuta Sofia Zetterlund es arrastrada a enfrentarse al perfil del asesino. Paralelamente, hay un caso muy complejo que también mantiene ocupada a Jeanette: la desaparición de la misteriosa Victoria Bergman, una mujer con un pasado muy turbio. La investigación la llevará a una exclusiva escuela en Sigtuna y también a Dinamarca, donde parece residir parte del misterio. ENGLISH DESCRIPTION Detective Superintendent Jeanette Kihlberg's efforts to solve the cases of the dead immigrant boys is interrupted when a successful businessman is murdered in Stockholm, in what appears to be a ritual killing. A number of peculiar details suggest that it was an act of revenge. But revenge for what? Psychotherapist**

**Sofia Zetterlund is unofficially brought in to put together a profile of the perpetrator, a task that becomes problematic seeing as the pair of them are now engaged in an affair with each other. Jeanette's ongoing search for the missing Victoria Bergman leads not only to an exclusive boarding school in Sigtuna, but also to Denmark and events deep in the past. Alongside her work as a psychotherapist Sofia Zetterlund is also trying to find her way back to her own true self. Trauma (Hunger Fire) is the second part of the trilogy about Victoria Bergman. Like its hugely successful forerunner, Hunger Fire contains breathtaking twists and turns, and an equally shocking and unexpected conclusion.**

**The Book of Joe Feb 21 2020 Right after high school, Joe Goffman left sleepy Bush Falls, Connecticut and never looked back. Then he wrote a novel savaging everything in town, a novel that became a national bestseller and a huge hit movie. Fifteen years later, Joe is struggling to avoid the sophomore slump with his next novel when he gets a call: his father's had a stroke, so it's back to Bush Falls for the town's most famous pariah. His brother avoids him, his former classmates beat him up, and the members of the book club just hurl their copies of Bush Falls at his house. But with the help of some old friends, Joe discovers that coming home isn't all bad—and that maybe the best things in life are second chances. Fans of Nick Hornby and Jennifer Weiner will love this book, by turns howling funny, fiercely intelligent, and achingly poignant. As evidenced by The Book of Joe's success in both the foreign and movie markets, Jonathan Tropper has created a compelling, incredibly resonant story.**
