Learn to speak English correctly! This is Book 1 of Teacher King's English Speaking Course It contains 30 important lessons to help a student learn to speak English the right way! Level: Beginner to Intermediate - Students should have a basic knowledge of Speaking, Reading & Writing. Application: Self-learning & Classroom This workbook has been written for all ages, children and adults alike. This workbook features: - 30 excellent lessons with everyday topics - 300 important words used in daily life - 60 fun and everyday conversations and talks - Q&A section for each talk - 30 phrasal verbs for everyday topics - 30 verbs and different tenses - Easy interactive worksheets to learn speaking sentences correctly - Tests to reinforce knowledge of the lessons - Commonly used grammar tenses - Step-by-step grammar development - Vocabulary words include Thai translations Teacher King's English Speaking Course is the easiest way to learn English. Written by ESL specialist, Kevin L. King, who has taught English as a Second Language for over 30 years around the world. Practice Speaking English today with this tried and proven educational resource. Developed for ESL students who are at the earliest stages of English study. Created by Bill and Larisa Green, this speaking practice book is perfect for all ages. Not long after starting to teach ESL students English in Ukraine, Bill discovered a need for a simple way to help students get started speaking. Created for all students who are challenged with sentence building, this book really works! This speaking practice book is perfect as a teacher resource. Students begin English study by reading and learning basic aspects of the English language. Many students have difficulty speaking at an early learning stage for many reasons. This English resource helps students at the very beginning of speech. Created with examples in long form and short form, students can practice both variants. By simply reading the short sentences out loud, students build confidence quickly. Practice Speaking English is a valuable resource that makes a great addition to all English grammar publications. This edition also includes 100 common English words in short, easy to read sentences. Pages can be copied and used as a classroom speaking practice resource. For anybody who wants to improve their speaking skills in informal situations, this book will give you the confidence and the skills to interact with others, to speak in informal situations, and to present in front of small groups. -- This best-selling textbook provides an engaging and user-friendly introduction to the study of language. Assuming no prior knowledge in the subject, Yule presents information in short, bite-sized sections, introducing the major concepts in language study – from how children learn language to why men and women speak differently, through all the key elements of language. This fourth edition has been revised and updated with twenty new sections, covering new accounts of language origins, the key

properties of language, text messaging, kinship terms and more than twenty new word etymologies. To increase student engagement with the text, Yule has also included more than fifty new tasks, including thirty involving data analysis, enabling students to apply what they have learned. The online study guide offers students further resources when working on the tasks, while encouraging lively and proactive learning. This is the most fundamental and easy-to-use introduction to the study of language. This anatomy and physiology workbook, now in its second edition, is a unique study guide for introductory courses and textbooks in speech and hearing anatomy and physiology. Whether taught face to face or online, anatomy and physiology courses are dense in content and new material, and a practical book is much needed for undergraduate training. One of the main contributions of this important book is that it offers a thorough survey of the theoretical and empirical developments that have occurred in the area of (im)politeness in the different regions of the Spanish-speaking world, gathering together overviews by distinguished scholars. Additionally, the book advances the field with new empirical research on linguistic (im)politeness, and silence and (im)politeness, in a range of (non)institutional contexts, as well as new perspectives for the study of (im)politeness. A closing chapter by the editors provides an assessment of salient trends in the area and directions for future research. Research on Politeness in the Spanish-Speaking World is essential reading for students in Spanish pragmatics and Spanish linguistics, sociolinguistics, and discourse analysis. The volume is also very useful to English-speaking scholars in the general field of pragmatics who are not proficient in Spanish but require access to these empirical studies. Student Book: A speaking component in every activity develops confident and successful speakers Student Book: Integrated video brings language to life and illustrates useful everyday language Student Book: Activities explore ways to target language in real-life settings Online Practice: Allows you to assign extra activities as homework and track your students' progress Online Practice: Features over 120 activities including Listening, Grammar and video review activities, and a speak, record, and submit to teacher function for Pronunciation practice Online Practice: Provides instant access to Student Book video and audio, links to worksheets, audio scripts, tests, and answer keys Online Practice: Optional tools, including the Discussions feature, allow you to give students more opportunities to practice informal language Online Practice: Features custom tools so you can set up groups of students within a mixed ability class and assign different activities for a personalized learning program Online Practice: Makes reviewing students' progress easy with integrated and downloadable tests and a comprehensive online Gradebook This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. In a rapidly changing culture, many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others, like lost and sin, have become so negative they are nearly conversation-enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City, he discovered that the sacred terms he used to describe his spiritual life didn't connect as they had in the past. This launched him into an exploration of an increasing American reluctance to talk about faith—and the data he uncovered revealed a quiet crisis of affecting millions. In this groundbreaking book, Jonathan revives ancient expressions through incisive cultural commentary, vulnerable personal narratives, and surprising biblical insights. Both provocative and liberating, Learning to Speak God from Scratch will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them. Written by ESL specialist, Kevin L. King, who has taught English as a Second Language for over 30 years around the world. The Basics of Speech teaches students to be more competent communicators by helping them understand the communication process, appreciate their own communication skills, and develop greater strengths in communication. In the Program Highlights section of the Teacher's Resource Book, the authors write: "Young adolescents are concerned about building relationships with their peers, becoming more adept at socializing, formulating reasons for their actions and beliefs, evaluating the messages of others, and becoming more skilled at speaking in front of others." Young adolescents are deciding "who they are and how they fit in." The educational experiences in this text are designed to help students build confidence in their communication abilities as they make these decisions. The text is based on five communication functions identified by the National Communication Association: controlling, feeling, informing, ritualizing, and imagining, and is ideal for both middle and high school This comprehensive introduction to intercultural pragmatics examines the theoretical, methodological and practical issues in the analysis of talk across cultures. The book includes: * introduction to the key issues in culture and communication * examination of cross-cultural and intercultural communication * empirical case studies from a variety of languages, including German, Greek, Japanese and Chinese * practical chapters on pragmatics research, recording and analysing data, and projects in intercultural pragmatics * exercises at the end of each chapter * glossary of terms This second edition of Culturally Speaking will be an essential guide for undergraduate and postgraduate students interested in communication across cultures. "Speaking is a critical part of second language learning and teaching. This essential communicative skill allows individuals to express themselves and interact with the world around them. New Ways in Teaching Speaking, Second Edition contains more than 100 new activities that promote good speaking habits for all proficiency levels and ages. Learn how to incorporate technology tools to improve students' speaking skills and digital literacy skills simultaneously. Plus, the new career-focused activities connect to work in business, law, and more, allowing students to strengthen their speaking skills for immediate use in their daily lives. Activity categories are : Developing Fluency, Developing Accuracy, Developing Pronunciation, Speaking in Specific Contexts, Speaking and Technology. Digital online resources such as presentations and handouts are available on the website that accompanies this book. These diverse and ready-to-use activities will keep your students engaged and enjoying their time learning this

essential language skill"--back cover. The second volume of the best selling Speak Japanese in 90 Days is here! Speak Japanese in 90 Days Volume 2 continues where Volume 1 left off. Like Volume 1, all of the prep work is done for you. This book teaches you not only what, but how to study, broken down into 90 simple lessons that can be studied in one day each. Volume 2 covers the rest of the grammar for the JLPT (Japanese Language Proficiency Test) N4 and N3 levels. The content includes detailed, easy to understand explanations of all the grammar points as well as 16 short readings for students to practice what they have studied. If you're a student looking for a reference guide to N3 grammar points, concise readings to help you practice, or a veteran student of Volume 1, this book is exactly what you are looking for! Speak Japanese in 90 Days: A Self-study Guide to Becoming Fluent Volume 1 and 2 give students all the tools they need to become effective self learners. Learn to speak English correctly! Learn how to communicate in Arabic with this accessible, entertaining program! Learning a new language can be especially challenging when the language uses a non-Roman script. Read and Speak Arabic for Beginners, Third Edition overcomes this obstacle by providing an accessible, entertaining program to reinforce vocabulary and help you create basic structures. Each of the book's eight topics was designed to help you develop your communication skills in key areas of daily life, such as introducing yourself, asking for directions, talking about your family and your country, and describing people, places, and objects. This updated edition is supported by flashcards for vocabulary in each topic, and two end-of-topic quizzes. The accompanying audio via the McGraw-Hill Language Lab app features all the key words and phrases so you can hear how they are pronounced and then have a chance to repeat them. Fun tests and puzzles reinforce your progress. Additional listening activities and games are also featured for additional language reinforcement. Read and Speak Arabic for Beginners, Third Edition features: • An accessible, proven approach to help you communicate in Arabic • A two-color layout and photographs illustrating key vocabulary • Games, puzzles, flashcards, and audio lessons to help you build languages skills • Clear explanations of how basic phrases are used for practical communication • Streaming audio for valuable speaking and listening practice • Detachable flashcards for language reinforcement, and more Learn to speak English correctly! Written by ESL specialist, Kevin L. King, who has taught English as a Second Language for over 30 years around the world. This is the new, black and white version of From English to Swedish 1. A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. •ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words

of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary.

Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain)

Written by ESL specialist, Kevin L. King, who has taught English as a Second Language for over 30 years around the world. The Public Speaking Playbook coaches students to prepare, practice, and present speeches—whether in the classroom, public sphere, or in a virtual setting. Authors Teri Kwal Gamble and Michael W. Gamble employ an interactive approach to building skills through various exercises that allow students to practice and improve their public speaking. Features such as objectives, coaching tips, and new self-assessments in each section further aids student success and reinforces key competencies. The Fourth Edition makes this text more relevant, timely, and engaging with increased coverage of recent events and a focus on improving virtual presentation skills. This title is accompanied by a complete teaching and learning package. Contact your SAGE representative to request a demo. Learning Platform / Courseware SAGE Vantage is an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. If you would like to purchase both the physical text and MyCommunicationLab search for 0134127080 / 9780134127088 Mastering Public Speaking plus MyCommunicationLab for Public Speaking - Access Card Package, 9/e Package consists of: 0133753832 / 9780133753837 Mastering Public Speaking, 9/e 0133907279 / 9780133907278 MyCommunicationLab for Public Speaking Access Card MyCommunicationLab should only be purchased when required by an instructor. For courses in Public Speaking Help Students Achieve Their Full Potential In Public Speech Mastering Public Speaking shows students both the hows and the whys of public speaking using an instructional approach that positions the instructor as a "guide on the side" rather than a "sage on the stage." By challenging students to make the decisions required of public speakers, the text empowers them to take responsibility for their own learning. In its Ninth Edition, Mastering Public Speaking reflects the current twenty-first century realities that have altered our expectations of what a public speech can accomplish, including

new media and emerging technologies. At the same time, the authors' basic instructional approach remains focused on the key ingredients of effective speech, including sensitive audience analysis, adequate research, clear organization, and dynamic delivery. Also available with MyCommunicationLab MyCommunicationLab for the Public Speaking course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And MediaShare offers an easy, mobile way for students and instructors to interact and engage with speeches, visual aids, group projects, and other files. Please note: this version of MyCommunicationLab does not include an eText. Mastering Public Speaking, Ninth Edition is also available via REVEL (tm), an immersive learning experience designed for the way today's students read, think, and learn. This is a second edition of an English for Academic Purposes title first published in 1992. It is designed to improve the reading skills of EFL students at intermediate level or above who are preparing for a university course in English. Study Reading is a course for learners of intermediate level or above who need to develop their reading skills for study or work purposes. The book is divided into three parts. Part 1 introduces basic reading skills. Part 2 is theme based, with texts from a variety of disciplines, and aims to extend the skills introduced in Part 1. Part 3 covers the reading skills required for project, dissertation and thesis work. Study Reading encourages learners to reflect on their current reading strategies. By doing a variety of task-based, problem-solving activities, learners are encouraged to refine their reading strategies through exposure to the ideas of others. The book also gives direct advice on how to improve reading efficiency. Study Reading is part of a series, Study Writing, Study Listening, Study Speaking, Study Skills. Second Editions of Study Speaking, Listening and Skills will appear at the same time as the Second Edition of Study Reading. The Second Edition of Study Writing will appear in late 2005. Study Reading: - adopts a learner centred approach suitable for both classroom use and self-study. - has clearly labelled sections which allow users to select and focus on the skills areas most appropriate to their needs. - includes INVITATION TO PUBLIC SPEAKING was designed to provide you with solid public speaking skills that will serve you well. This text shows you the power and importance of public speaking in your life as well as in the community. This special National Geographic Learning edition includes dynamic and exciting stories and tips from young people who are committed to sharing their passion for conservation and learning, accompanied by spectacular National Geographic photographs. Speech-building help and examples of student speeches in every chapter help you understand the basic concepts so that you learn how to give successful speeches. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
