The Fireside Grown-Up Guide to the Husband Mar 05 2021 The international publishing phenomenon and ridiculously funny new parody series that helps grown-ups learn about the world around them using large clear type, simple and easy-to-grasp words, frequent repetition, and thoughtful matching of text with pictures. Have you been having trouble with the How, Why, and Wheres? Well fear no more. The Fireside Grown-Up Guide series understands that the world is just as confusing to a forty-year-old as it is to a four-year-old. We're here to help and break down the most pressing and complex issues of our day into easy-to-digest pieces of information paired with vivid illustrations even a child could understand. The husband knows many things. For example, he knows how many stairs there are in his house—in case he arrives home too drunk to see them properly. In this Fireside Grown-Up Guide to the Husband, you can learn about what husbands like (making simple repairs and then droning on about what a struggle they were), what he hates (being wrong), how often he is really listening (only thirty percent of the time), and many other enlightening facts.

The Grown-Up's Guide to Crafting with Kids Jan 03 2021 The ideal follow-up to the

much-buzzed-about *The Grown-Up's Guide to Making Art with Kids*, *The Grown-Up's Guide to Crafting with Kids* features more tactile projects that will improve kids' fine motor and visual processing skills, in addition to strengthening their focus and memory. Plus, crafting is super fun! The book follows the same format as the first in the *Grown-Up's Guide* series, consisting of multiple creative prompts, exercises, and step-by-step crafting projects that children and adults can do together. Author Vicki Manning, who runs a popular Instagram account where she regularly posts craft projects that she's done with her own kids, *The Grown-Up's Guide to Crafting with Kids* appeals to parents, caregivers, grandparents, teachers, and anyone else who wants to spend creative time with the kids in their lives. Kids will love working with adults to make crafts, which include: Clay robots Pom-pom ice-cream cones Sun printing Treasure boxes Wax-resist bookmarks And much more Chapters on tools and materials, sourcing materials around the home and outside, and suggestions for engagement and craft-making are included as well. With fun, colorful, and appealing artwork and projects; easy-to-follow instructions; and crafts made from accessible, affordable, and popular materials, *The Grown-Up's Guide to Crafting with Kids* will quickly become an essential book for families, preschool and elementary schools, art classes, and more.

The Grown-Up's Guide to Paint Pouring with Kids Jul 09 2021 *The Grown-Up's Guide* series features how-to projects, creative prompts, and crafting activities that will inspire you and your little ones to spend hours of fun together. Now you can learn the fun, trendy paint pouring technique—and teach your kids to do it too! Paint pouring, also known as fluid art, uses acrylic paint and a variety of everyday tools to create colorful, abstract art poured on canvases and other surfaces. With *The Grown-Up's Guide to Paint Pouring With Kids*, prepare to get messy—some techniques require touching or even hitting the paint—but that's half the fun! Kids will love the tactile nature of paint pouring, while you and the other grown-ups in their lives will feel good knowing that your children are exercising their creative and artistic playful side. The book opens with an introduction to the affordable tools required to pour paint, from cups and canvases to stir sticks, paper, reusable straws, and more. Older kids—with the help of their parents, of course—might even learn to use a heat torch to create the cell-like structure typical in fluid art. Techniques are outlined so that you and your children can read about the pouring process before getting started. Then there are chapters on color mixing tips, instructions for finishing paintings with varnish and other materials, and much more. The step-by-step projects that follow are fun, easy, and easily customizable by color, surface, and skill level. They can even be done on surfaces other than canvas, such as coasters, pieces of wood, gift boxes, and much more. Kids of all ages will love pouring paint. You can help too, ensuring family togetherness for hours as you and your children learn to create colorful, abstract art together with *The Grown-Up's Guide to Paint Pouring With Kids*.

The Period Book Dec 26 2022 This bestselling, essential illustrated guidebook for adolescent girls is a trusty friend that can help girls feel confident about this new phase of their lives. Waking Up Jul 29 2020 For the millions of Americans who want spirituality without religion, Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology. From Sam Harris, neuroscientist and author of numerous New York Times bestselling books, Waking Up is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of such figures as Jesus, the Buddha, Lao Tzu, Rumi, and the other saints and sages of history. Throughout this book, Harris argues that there is more to understanding reality than science and secular culture generally allow, and that how we pay attention to the present moment largely determines the quality of our lives. Waking Up is part memoir and part

exploration of the scientific underpinnings of spirituality. No other book marries contemplative wisdom and modern science in this way, and no author other than Sam Harris—a scientist, philosopher, and famous skeptic—could write it.

Guide to Dinosaurs May 07 2021 Dinosaurs were amazing creatures. From the time the first dinosaur bones were unearthed, the story of these unusual animals has captivated both the young and old. We continue to learn more about them from the fossil record, but there are still many questions: How do dinosaurs fit with the Bible? Are they really millions of years old? Did they live at the same time as humans? Were there dinosaurs on Noah's Ark? How did they go extinct? Guide to Dinosaurs is a fascinating and lavishly illustrated volume that takes a careful look at the evidence and how it fits with the historic accounts given in Scripture.

The Grown-Up's Guide to Teenage Humans Jun 27 2020 Nautilus Gold Award Winner: Parenting & Family A practical guide to understanding teens from bestselling author and global youth advocate Josh Shipp. In 2015, Harvard researchers found that every child who does well in the face of adversity has had at least one stable and committed relationship with a supportive adult. But Josh Shipp didn't need Harvard to know that. Once an at-risk foster kid, he was headed straight for trouble until he met the man who changed his life: Rodney, the foster parent who refused to quit on Shipp and got him to believe in himself. Now, in *The Grown-Up's Guide to Teenage Humans*, Shipp shows all of us how to be that caring adult in a teenager's life. Stressing the need for compassion, trust, and encouragement, he breaks down the phases of a teenage human from sixth to twelfth grade, examining the changes, goals, and mentality of teenagers at each stage. Shipp offers revelatory stories that take us inside the teen brain, and shares wisdom from top professionals and the most expert grown-ups. He also includes practice scripts that address tough issues, including: FORGIVENESS: What do I do when a teen has been really hurt by someone and it's not their fault? COMMUNICATION: How do I get a teen to talk to me? They just grunt. TRUST: My teen blew it. My trust is gone. Where do we go from here? BULLYING: Help! A teen (or their friend) is being harassed. DIFFICULT AND AWKWARD CONVERSATIONS: Drugs. Death. Sex. Oh my. Written in Shipp's playfully authoritative, no-nonsense voice, *The Grown-Up's Guide to Teenage Humans* tells his story and unpacks practical strategies that can make a difference. Ultimately, it's not about shortcuts or magic words—as Shipp reminds us, it's about investing in kids and giving them the love, time, and support they need to thrive. And that means every kid is one caring adult away from being a success story.

Moral Clarity Oct 12 2021 "Neiman reclaims the vocabulary of morality--good and evil, heroism and nobility--as a lingua franca for the twenty-first century. In constructing a framework for taking responsible action on today's urgent questions, [she] reaches back to the eighteenth century, retrieving a series of values--happiness, reason, reverence, and hope--held high by Enlightenment thinkers. In this ... updated edition, Neiman reflects on how the moral language of the 2008 presidential campaign has opened up new political and cultural possibilities in America and beyond"--Back cover.
