Joe Coughlin is nineteen when he meets Emma Gould. A smalltime thief in 1920s Boston, he is told to cuff her while his accomplices raid the casino she works for. But Joe falls in love with Emma - and his life changes for ever. That meeting is the beginning of Joe's journey to becoming one of the nation's most feared and respected gangsters. It is a journey beset by violence, double-crossing, drama and pain. And it is a journey into the soul of prohibition-era America... A powerful, deeply moving novel, *Live By Night* is a tour-de-force by Dennis Lehane, writer on *The Wire* and author of modern classics such as *Shutter Island*, *Gone, Baby, Gone* and *The Given Day*.

The first installment in a sexy new paranormal romance series by Larissa Ione, author of the bestselling *Demonica* series! Nicole Martin was only eight years old when she narrowly survived a massacre: her family's vampire slaves rebelled and killed everyone in her household. Twenty years later, Nicole now dedicates herself to finding a vaccine against vampirism...and eradicating the gruesome memories that give her nightmares. Riker, a member of the wild vampire Moon Clan, is haunted by his own demons—his wife Lorraine had been captured and enslaved by the Martin family. It was during a botched escape attempt that she was killed, along with their unborn child. Still wracked with grief and anger, Riker is now fueled solely by the desire to rescue vampire slaves...and slaughter their owners. When Riker stumbles

upon Nicole in a chance meeting, he immediately recognizes her as a member of the Martin family that once enslaved his wife—and she recognizes him as the wild vampire she saw kissing a pregnant slave in the moments before her violent death—an image that has haunted her dreams for years. When Riker kidnaps Nicole and they spend a night together in a cave on the way back to his clan, suddenly they begin to realize that they aren't as different from one another as they may have thought—and they're finding themselves drawn to one another... The award-winning author of *The Lie Tree* “has created a distinctly imaginative world full of engaging characters, robust humor, and true suspense” (School Library Journal, starred review). Everybody knew that books were dangerous. Read the wrong book, it was said, and the words crawled around your brain on black legs and drove you mad, wicked mad. Mosca Mye's father insisted on teaching her to read—even in a world where books are dangerous, regulated things. Eight years later, Quillam Mye died, leaving behind an orphaned daughter with an inauspicious name and an all-consuming hunger for words. Trapped for years in the care of her cruel uncle and aunt, Mosca leaps at the opportunity for escape, though it comes in the form of sneaky swindler Eponymous Clent. As she travels the land with Clent and her pet goose, Mosca begins to discover complicated truths about the world she inhabits and the power of

words. “Intricate plotting, well-developed and fascinating characters, delicious humor, and exquisite wordcraft envelop readers fully into this richly imagined world.”

•The Bulletin of the Center for Children’s Books (starred review) “Hardinge’s stylish way with prose gives her sprawling debut fantasy a literate yet often silly tone that calls to mind Monty Python.” —Publishers Weekly (starred review) “Mosca’s ferocity and authentic inner turmoil [are] both reminiscent of Philip Pullman’s *Lyra Belacqua*.”

•Booklist “Incredibly well written.”

•The Seattle Times Now in hardcover, the twelfth installment of the Hugo-nominated, New York Times-bestselling Toby Daye urban fantasy series! Things are not okay. In the aftermath of Amandine's latest betrayal, October "Toby" Daye's fragile self-made family is on the verge of coming apart at the seams. Jazz can't sleep, Sylvester doesn't want to see her, and worst of all, Tybalt has withdrawn from her entirely, retreating into the Court of Cats as he tries to recover from his abduction. Toby is floundering, unable to help the people she loves most heal. She needs a distraction. She needs a quest. What she doesn't need is the abduction of her estranged human daughter, Gillian. What she doesn't need is to be accused of kidnapping her own child by her ex-boyfriend and his new wife, who seems to be harboring secrets of her own. There's no question of whether she'll take the case. The only question is whether she's emotionally prepared to

survive it. Signs of Faerie's involvement are everywhere, and it's going to take all Toby's nerve and all her allies to get her through this web of old secrets, older hatreds, and new deceits. If she can't find Gillian before time runs out, her own child will pay the price. Two questions remain: Who in Faerie remembered Gillian existed? And what do they stand to gain? No matter how this ends, Toby's life will never be the same. On the island of Bellona, they worship the sun. Seventeen-year-old Veda understands that keeping the sun content ensures plentiful crops, peace and harmony, and a thriving economy. But as a member of the Basso class, she never reaps those benefits. Life as a Basso is one fraught with back-breaking work and imposing rules. Her close friendship with Nico is Veda's one saving grace in a cruel world where the division between her people and the ruling Dogio is as wide and winding as the canals that snake through their island. But when Veda's grandfather is chosen as the next sacrificial offering to keep the sun's favor, Veda is forced to see the injustice of her world. Turning away from the sun means she must join the night—and an underground revolution she's been taught to fear all her life. The acclaimed Korean author weaves a “disturbing, beautifully controlled” metaphysical detective story “of doubles, shadows, and parallel worlds” (Financial Times). It's Ayami's final day working the box-office at Seoul's only audio theater for the blind. Her last shift completed, she

walks the streets with her former boss, searching for a missing friend. Their conversations take in art, love, food, and the inaccessible country to the north. The next day, Ayami acts as a guide for a detective novelist visiting from abroad. But as they contend with the summer heat, the edges of reality start to fray. Ayami enters a world of increasingly tangled threads, and the past intrudes upon the present as overlapping realities repeat, collide, change, and reassert themselves. Blisteringly original, *Untold Night and Day* upends the very structure of narrative storytelling. By one of the boldest and most innovative voices in contemporary Korean literature, and masterfully realized in English by Man Booker International Prize–winning translator Deborah Smith, Bae Suah’s hypnotic novel asks whether more than one version of ourselves can exist at once. "A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with *Book of Night*, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse.

Gloomists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. I was born to the name of Rachel Weatere in the year 1684, more than three hundred years ago. The one who changed me named me Risika, and Risika I became, though I never asked what it meant. I continue to call myself Risika, even though I was transformed into what I am against my will. By day, Risika sleeps in a shaded room in Concord, Massachusetts. By night, she hunts the streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a

family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist. From the Hardcover edition. Look closer. Grant Snider's beautiful debut picture book explores the wonders—and colors—of nighttime. For night is not just black and white. Ending in colors yet unseen, and a night of sweet dreams, this lilting lullaby is sure to comfort those drifting off to sleep. With luminous art as spare and glowing as the moon, and lyrical text that reads like a friend leading the way through the wilderness, *What Color Is Night?* is a rich and timeless look at a topic of endless fascination, and a perfect bedtime read-aloud. Home to high school best friends Jane Langstaff and Heather Meadows, *Spectrum* is a boomtown that's long since stopped booming, with nothing to show for its former glory but the abandoned Charleswood Estate, its dwindling sprocket millions, and the story of the disappeared industrialist who founded the place... But deep within Charleswood, unbeknownst to anyone, there is a device called the Eidolon, which can open up a doorway to an otherworldly dimension. And Heather and Jane are about to go knocking. Eisner Award nominee John Allison (*Giant Days*, *Scary Go Round*), and artist Christine Larsen (*Adventure Time*) invite you beyond the Eidolon, to a world of bizarre creatures and

fantastical, hilarious adventure. How can I know God's will for me, personally? It's a question that haunts us all at times--maybe when we're looking for the right job, thinking about moving to a new city, or deciding whether or not to get married. At every stage we have difficult decisions to make, and we long for God's direction and his warm reassurance that we're heading the right way. *A Cloud by Day, a Fire by Night* captures Tozer's teaching on the will of God taken from sermons he preached just before he left his successful church in Chicago. Tozer was no stranger to facing difficult decisions, and his wisdom and biblical insight will help guide you in decisions of your own. The title comes from the story of God leading his people out of Egypt into the promised land. In the same way, let this book help reveal where he is leading and reassure you that he will be by your side every step of the way. In a deathbed confession, Father Urrutia, a Jesual priest and conservative literary critic, shares his memories of his work with agents of Opus Dei and his secret job of instructing Pinochet about Marxism to the Chilean junta generals can understand their enemy. Original. After witnessing a murder in Oslo, elderly former Marine sniper and watch repairman Sheldon Horowitz flees to safety with the newly orphaned son of the victim and becomes haunted by memories of his own son who died in Vietnam. Ten-year-old Tommy and his sister Annie are intrigued by the new soldiers arriving in their Georgia

town. Since the Civil War started, wounded men waiting to be treated at the local church-turned-hospital have been coming in by droves. When Tommy sees a soldier drop his notebook, he sends his dog, Samson, to fetch it. Tommy soon meets the soldier and is faced with the hardest decision he's ever had to make: whether or not he should help a Yankee escape to freedom. Filled with intriguing suspense and tackling difficult questions about slavery, this story, told in accessible short chapters, will appeal to history buffs as well as those who appreciate a faithful dog. “A lyrical and erotic reimagining of the gay Greek-Alexandrian poet C.P. Cavafy’s three-day trip to Paris in 1897 . . . dizzying, fevered and beautiful.” —The Millions Winner of the 2019 National Translation Award

In June 1897, the young Constantine Cavafy arrives in Paris on the last stop of a long European tour, a trip that will deeply shape his future and push him toward his poetic inclination. With this lyrical novel, tinged with a hallucinatory eroticism that unfolds over three unforgettable days, celebrated Greek author Ersi Sotiropoulos depicts Cavafy in the midst of a journey of self-discovery across a continent on the brink of massive change. He is by turns exhilarated and tormented by his homosexuality; the Greek-Turkish War has ended in Greece’s defeat and humiliation; France is torn by the Dreyfus Affair, and Cavafy’s native Alexandria has surrendered to the indolent rhythms of the East. A

stunning portrait of a budding author—before he became one of the 20th century’s greatest poets—that illuminates the complex relationship of art, life, and the erotic desires that trigger creativity. “A perfect book.” ?Edmund White, author of *A Boy’s Own Story* “The novel is as sensual as it is erudite, a stirringly intimate exploration of the private, earthy place where creation commences.” ?The Wall Street Journal “A remarkable novel . . . both a radiant work of the imagination and a fitting tribute to the greatest Greek poet of the twentieth century.” ?The Times Literary Supplement “Engaging and original . . . powerfully erotic . . . This is a hallucinatory work of art, in every sense.” ?The Literary Review

Night night sky.
Night night moon. Dear tomorrow, see you soon! The perfect way to wrap up a day with your child, *The Night Night Book* is an adorable bedtime story that helps kids and parents bid farewell to the day, settle in for the night, and rest up for a new tomorrow. *The Night Night Book* is sure to become a new bedtime classic. Marianne Richmond is the bestselling author and illustrator of numerous beautiful books for parents and children to share. She creates emotional and thoughtful stories that children of any age will appreciate now and forever. From New York Times bestselling author Dennis Lehane comes this epic, unflinching tale of the making and unmaking of a gangster in the Prohibition Era of the Roaring Twenties—now a Warner Bros. movie starring Ben

Affleck, Elle Fanning, Zoe Saldana, and Sienna Miller. Boston, 1926. The '20s are roaring. Liquor is flowing, bullets are flying, and one man sets out to make his mark on the world. Prohibition has given rise to an endless network of underground distilleries, speakeasies, gangsters, and corrupt cops. Joe Coughlin, the youngest son of a prominent Boston police captain, has long since turned his back on his strict and proper upbringing. Now having graduated from a childhood of petty theft to a career in the pay of the city's most fearsome mobsters, Joe enjoys the spoils, thrills, and notoriety of being an outlaw. But life on the dark side carries a heavy price. In a time when ruthless men of ambition, armed with cash, illegal booze, and guns, battle for control, no one—neither family nor friend, enemy nor lover—can be trusted. Beyond money and power, even the threat of prison, one fate seems most likely for men like Joe: an early death. But until that day, he and his friends are determined to live life to the hilt. Joe embarks on a dizzying journey up the ladder of organized crime that takes him from the flash of Jazz Age Boston to the sensual shimmer of Tampa's Latin Quarter to the sizzling streets of Cuba. *Live by Night* is a riveting epic layered with a diverse cast of loyal friends and callous enemies, tough rumrunners and sultry femmes fatales, Bible-quoting evangelists and cruel Klansmen, all battling for survival and their piece of the American dream. At once a sweeping love story and a

compelling saga of revenge, it is a spellbinding tour de force of betrayal and redemption, music and murder, that brings fully to life a bygone era when sin was cause for celebration and vice was a national virtue. “After killing the red-haired man, I took myself off to Quinn’s for an oyster supper.” So begins an extraordinary story of betrayal and treachery, of delusion and deceit narrated by Edward Glyver. Glyver may be a bibliophile, but he is no bookworm. Employed “in a private capacity” by one of Victorian London’s top lawyers, he knows his Macrobius from his First Folio, but he has the street-smarts and ruthlessness of a Philip Marlowe. And just as it is with many a contemporary detective, one can’t always be sure whether Glyver is acting on the side of right or wrong. As the novel begins, Glyver silently stabs a stranger from behind, killing him apparently at random. But though he has committed a callous and brutal crime, Glyver soon reveals himself to be a sympathetic and seductively charming narrator. In fact, Edward Glyver keeps the reader spellbound for 600 riveting pages full of betrayal, twists, lies, and obsession. Glyver has an unforgettable story to tell. Raised in straitened circumstances by his novelist mother, he attended Eton thanks to the munificence of a mysterious benefactor. After his mother’s death, Glyver is not sure what path to take in life. Should he explore the new art of photography, take a job at the British Museum, continue his travels in Europe

with his friend Le Grice? But then, going through his mother's papers, he discovers something that seems unbelievable: the woman who raised him was not his mother at all. He is actually the son of Lord Tansor, one of the richest and most powerful men in England. Naturally, Glyver sets out to prove his case. But he lacks evidence, and while trying to find it under the alias "Edward Glapthorn," he discovers that one person stands between him and his birthright: his old schoolmate and rival Phoebus Rainsford Daunt, a popular poet (and secret criminal) whom Lord Tansor has taken a decidedly paternal interest in after the death of his only son. Glyver's mission to regain his patrimony takes him from the heights of society to its lowest depths, from brothels and opium dens to Cambridge colleges and the idylls of Evenwood, the Tansor family's ancestral home. Glyver is tough and resourceful, but Daunt always seems to be a step ahead, at least until Glyver meets the beguilingly beautiful Emily Carteret, daughter of Lord Tansor's secretary. But nothing is as it seems in this accomplished, suspenseful novel. Glyver's employer Tredgold warns him to trust no one: Is his enigmatic neighbour Fordyce Jukes spying on him? Is the brutal murderer Josiah Pluckthorn on his trail? And is Glyver himself, driven half-mad by the desire for revenge, telling us the whole truth in his candid, but very artful, "confession"? A global phenomenon, *The Meaning of Night* is an addictive,

darkly funny, and completely captivating novel. Meticulously researched and utterly gripping, it draws its readers relentlessly forward until its compelling narrator's final revelations. 'Accompanied by NASA photographs and Dorros's colorful, lively drawings, the text explains the Earth's rotation in clear and simple terms. An experiment using a lamp as the 'sun' further clarifies the principles introduced.' —BL. "Rejected by her family and plagued by insomnia, Rose Shaw is on the brink. But one dark evening she collides with a man running through the streets, who quickly vanishes. The only sign he ever existed - a journal dropped at Rose's feet. She begins to obsessively dedicate her sleepless nights to discovering what happened to Finn Matthews, the mysterious author of the journal. Why was he convinced someone wanted to kill him? And why, in the midst of a string of murders, won't the police investigate his disappearance? Rose is determined to uncover the truth. But she has no idea what the truth will cost her ..."--Provided by publisher. See the full beauty of our night sky revealed as never before in over 200 photographs from around the world. Riley Sager's brand new mind-bending thriller novel is out July 2022! Pre-order **THE HOUSE ACROSS THE LAKE** now! *****THE NEW YORK TIMES BESTSELLER***** 'One of the most addictive thrillers I've read this year. A compulsive page-turner with high stakes and a heroine you find yourself absolutely rooting for' Gytha Lodge

Charlie Jordan is being driven across the country by a serial killer. Maybe. Behind the wheel is Josh Baxter, a stranger Charlie met by the college ride share board, who also has a good reason for leaving university in the middle of term. On the road they

share their stories, carefully avoiding the subject dominating the news - the Campus Killer, who's tied up and stabbed three students in the span of a year, has just struck again. Travelling the lengthy journey between university and their final destination, Charlie begins to notice discrepancies in Josh's story. As she begins to plan her escape from the man she is becoming certain is the killer, she starts to suspect that Josh knows exactly what she's thinking. Meaning that she could very well end up as his next victim. A game of cat and mouse is about to play out. In order to win, Charlie must do only one thing . . . survive the night. ***** Praise for Riley Sager 'Dark, frightening and twisty story that you won't be able to put down' Shari Lapena on Home Before Dark 'Clever, twisty, and altogether spine-chilling. . . [A] deliciously terrifying story' Ruth Ware on Home Before Dark 'Great . . . If you liked Gone Girl, you'll like this' Stephen King on Final Girls As different as night and day, goes the old saying, and this elegant book takes readers through a series of opposites of all kinds, from large to small (and tiny), long and short, front and behind, above, below, open, closed, together and alone. Colorful pop-ups, lift-the-flaps, and cut-outs create an interactive reading experience that is both lively and instructive. This beautiful book will be a treasure on any child's bookshelf. Two short novels featuring the vampiric gunslinger who seeks vengeance and justice across the Old West, from the

New York Times–bestselling master of horror. He was once a husband, father, lawyer, and Civil War soldier. Now he is a vampire struggling to hold onto his last thread of humanity—and to destroy the one who made him. In *I Travel by Night*, Trevor Lawson handles matters from his lair at the Hotel Sanctuaire in New Orleans. When a prominent lumber man comes to him for help—to find and free his kidnapped daughter—Trevor senses a trap, for the man who signed the ransom note is one he knows too well. Traveling towards a ghost town in the dark of the swamps, Trevor soon finds himself preparing for a final showdown against the purest form of evil in existence: the Dark Society and its bloodthirsty queen. With his new sidekick, Ann Kingsley, Trevor travels to Montana in *Last Train from Perdition*. When they try to free a young man from an outlaw gang, an innocent woman is caught in the crossfire. To save her life—and bring their captured fugitives to justice—Trevor and Ann take the train to Helena, never expecting the ambush that awaits them. For an army of the undead has gathered in the snowy darkness with a very special surprise for Ann: a reunion with her father and sister, who no longer resemble the humans she once loved. “Perfect for *Deadwood* fans and those who enjoy the American Vampire graphic-novel series by Scott Snyder. Clear a couple of hours, you’ll want to devour this in one sitting.” —Booklist *The International Bestselller!* A powerful and evocative debut

novel about two American military nurses during World War II that illuminates the unsung heroism of women who risked their lives in the fight—a riveting saga of friendship, valor, sacrifice, and survival combining the grit and selflessness of *Band of Brothers* with the emotional resonance of *The Nightingale*. In war-torn France, Jo McMahon, an Italian-Irish girl from the tenements of Brooklyn, tends to six seriously wounded soldiers in a makeshift medical unit. Enemy bombs have destroyed her hospital convoy, and now Jo singlehandedly struggles to keep her patients and herself alive in a cramped and freezing tent close to German troops. There is a growing tenderness between her and one of her patients, a Scottish officer, but Jo’s heart is seared by the pain of all she has lost and seen. Nearing her breaking point, she fights to hold on to joyful memories of the past, to the times she shared with her best friend, Kay, whom she met in nursing school. Half a world away in the Pacific, Kay is trapped in a squalid Japanese POW camp in Manila, one of thousands of Allied men, women, and children whose fates rest in the hands of a sadistic enemy. Far from the familiar safety of the small Pennsylvania coal town of her childhood, Kay clings to memories of her happy days posted in Hawaii, and the handsome flyer who swept her off her feet in the weeks before Pearl Harbor. Surrounded by cruelty and death, Kay battles to maintain her sanity and save lives as best she can . . . and live to

see her beloved friend Jo once more. When the conflict at last comes to an end, Jo and Kay discover that to achieve their own peace, they must find their place—and the hope of love—in a world that’s forever changed. With rich, superbly researched detail, Teresa Messineo’s thrilling novel brings to life the pain and uncertainty of war and the sustaining power of love and friendship, and illuminates the lives of the women who risked everything to save others during a horrifying time. What do we do with the Old Testament? How do we read words written in a world so different from ours, stories so ruthless and so filled with grace? In *Fire by Night*, pastor Melissa Florer-Bixler invites readers to marvel at the Old Testament. Page after page, in stories and poems and prophecies, the Hebrew Scripture introduces us to a God who is unwieldy and uncontrollable, common and extraordinary, and who brings both life and death. Using stories from Scripture and from her ministry, Florer-Bixler braids together the text with the sometimes ordinary, sometimes radical grace of God. The same passages that confuse and horrify and baffle us can, if we are paying attention, lure us closer toward God. This God has traveled with people through cloud and fire, by day and by night, since the beginning of time. The Old Testament is a perplexing book of profound grace, hope, and beauty. It’s a book of fire. To read the Old Testament is to draw close to God’s love, which continues to burn

away our expectations and set us ablaze. This God has traveled with people through pillars of cloud and fire, by day and by night, since the days of the exodus. Longlisted for the prestigious Miles Franklin Award, this “moving account of the depth of ordinary lives” (Library Journal, starred review) tells the story of a young Tasmanian girl and a Danish sailor and the brief encounter that leaves a lasting impact on both. Isla is a lonely girl who moves to Hobart with her mother and brother to try to better their lives. It’s not really working until they meet Bo, a crewman on an Antarctic supply ship, the Nella Dan, who shares stories about his adventures with them—his travels, bird watching, his home in Denmark, and life on board the ship. Isla is struggling to learn what truly matters and who to trust, while this modern Viking is searching to understand his past and to find a place in this world for himself. Though their time together is short, it is enough to change the course of both their lives. Praised for writing that is “vivid and distinct” (Library Journal, starred review) and “exquisite in its simplicity and eloquence” (Kirkus Reviews), Favel Parrett delivers a stunningly beautiful novel—“spare but memorable” (Booklist)—about the remarkable and unexpected bond forged between strangers. It’s bedtime in the Sunflower State! Say goodnight to all your favorite locations, including: Exploration Place Museum of World Treasures Kansas State Capitol Nichols Hall, Kansas State

Love by Night will whisk you away from your world and
into the dreamy romantic night. Love by Night begins
with anxious hesitation and nervous attraction, grows into
tender affection, blossoms into passionate love, delves
deep into whimsical dreams, and finally builds an image
of an idyllic future together, as the reader develops along
with the two characters of this poetic story. Written as a
conversation between two points of view in constant
change and flux with each other, this book invites the
reader into the conversation about the love that connects
one person to another, but also all of us to each other.
Through this written testament to the emotional journeys
books can take us on, S. K. Williams breaks down
stereotypes, sexism, relationship roles, and brings
awareness to mental health, grief, anxiety, depression,
how to move forward, how to love in a healthy way, and,
most of all, how to love yourself when it feels impossible.
A New Translation From The French By Marion Wiesel
Born in Sighet, Transylvania, Elie Wiesel was a teenager
when he and his family were taken from their home in
1944 and deported to the Auschwitz concentration camp,
and then to Buchenwald. Night is the terrifying record of
Elie Wiesel's memories of the death of his family, the

death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work. A deeply panoramic tour of the night, from its brightest spots to the darkest skies we have left. A starry night is one of nature's most magical wonders. Yet in our artificially lit world, three-quarters of Americans' eyes never switch to night vision and most of us no longer experience true darkness. In *The End of Night*, Paul Bogard restores our awareness of the spectacularly primal, wildly dark night sky and how it has influenced the human experience across everything from science to art. From Las Vegas' Luxor Beam -- the brightest single spot on this planet -- to nights so starlit the sky looks like snow, Bogard blends personal narrative, natural history, science, and history to shed light on the importance of darkness -- what we've lost, what we still have, and what we might regain -- and the simple ways we can reduce the brightness of our nights tonight. Combining atmospheric artwork with captivating text, this book explores all the aspects of the nighttime world, from the stars and planets to the history of fireworks. Full-color illustrations.

Rhiow seems a perfectly ordinary New York City cat. Or so her humans think--but she is much more than she appears. With her partners Saash and Urruah, she collaborates with

human wizards, protecting the earth from dark forces and helping to maintain the network of magical gateways between different realities. This lyrical ode to humanity celebrates people all around the world as they do the same things in different ways, from morning to night: as we're carried first, then toddle, then walk; as we learn to read and explore new worlds; as we wish or dream, laugh or cry, or even wonder why. This universal picture book is as profound as it is simple. A beautiful sentiment to share at story time or bedtime, this book will touch children and adults alike. Full of Machiavellian intrigue and searing political satire, *Variations on Night and Day*, the final volume of Munif's landmark *Cities of Salt* trilogy, chronicles the creation of a Persian Gulf nation by a corrupt Arab monarch and conniving British empire builders. A message of unconditional love through the seasons is wrapped in a warm and exuberant picture book package. *I love you strong, I love you small, Together, we have it all. I love you wild, I love you loud, I shout it out and I feel proud.* A sweet message of unconditional love follows a bear and a bunny through their day. This special picture book is perfect for baby showers, Mother's Day, Valentine's Day, and love all year round! **WINNER • 2022 PULITZER PRIZE IN HISTORY Finalist • National Book Award for Nonfiction Best Books of the Year • TIME, Smithsonian, Boston Globe, Kirkus Reviews The Pulitzer Prize-winning history that transforms a single**

event in 1722 into an unparalleled portrait of early America. In the winter of 1722, on the eve of a major conference between the Five Nations of the Haudenosaunee (also known as the Iroquois) and Anglo-American colonists, a pair of colonial fur traders brutally assaulted a Seneca hunter near Conestoga, Pennsylvania. Though virtually forgotten today, the crime ignited a contest between Native American forms of justice—rooted in community, forgiveness, and reparations—and the colonial ideology of harsh reprisal that called for the accused killers to be executed if found guilty. In *Covered with Night*, historian Nicole Eustace reconstructs the attack and its aftermath, introducing a group of unforgettable individuals—from the slain man’s resilient widow to an Indigenous diplomat known as “Captain Civility” to the scheming governor of Pennsylvania—as she narrates a remarkable series of criminal investigations and cross-cultural negotiations. Taking its title from a Haudenosaunee metaphor for mourning, *Covered with Night* ultimately urges us to consider Indigenous approaches to grief and condolence, rupture and repair, as we seek new avenues of justice in our own era. It's 1851 and Lucy Spencer's family is keeping a secret. Their Ohio home is a station on the Underground Railroad, the network of people and places that helps fugitive slaves escape to freedom in Canada. Lucy believes in what she and her family do to help the

fugitives, even if it means putting herself in danger. So Lucy doesn't hesitate when she is asked to stay with the Widow Aurelia Mercer and help her with a family of runaway slaves hiding in her attic. And she learns so much from her experience--about growing up, love, and standing on her own. But what will Lucy do when she is asked to make the ultimate sacrifice and leave all she loves behind? In *Nighty Night and Good Night*, the Nighty Nights are called upon to help their friend Ben as he falls to sleep. The cute and sleepy adventure leads the Nighty Nights to discover that a classic lullaby song does the trick to help Ben and Sleepy Puppy fall fast asleep.

Founded by Michael W Smith, Nurturing Steps™ is an infant and toddler series of children's music and books with a simple mission to enliven a child's journey with hope and faith through music and storytelling. Book two in the award-winning young adult *Austin Family Chronicles* series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. As if simply being fourteen-years-old weren't bad enough—what with the usual teenage angst and uncertainty, Vicky Austin's always comforting and reliable home life is changing completely. Her brother John is going off to college in the fall. Maggy, an orphan taken in by the Austins two years ago, has gone to live with her legal guardian. And the rest of Vicky's family is moving from their quiet house in the

country to the heart of New York City. But before the big move, the entire Austin family is taking a meandering trip across the country in their station wagon, stopping to camp along the way, with no set schedule and not a single night of camping experience among them. Wild animal attacks. Life-threatening natural disasters. Cute boys on the prowl. Anything can happen in the great outdoors.
