Peaceful Heroes May 27 2020 Biographies of peaceful heroes who where willing to die for a cause, but not kill for a cause.

The Mammoth Book of Paranormal Romance: Volumes 1 and 2 Mar 17 2022 Paranormal romance was never going to be content with just vampires and werewolves - and the fantastic stories within this collection lay claim to much, much more. Here you will find well-loved, bestselling authors writing under pseudonyms, fresh stars, and steadfast favourites, together offering an assorted feast of mythical beasts, magical creatures of all shapes and sizes, heart-stoppingly handsome ghosts, angels and mortals with extra-sensitive sensory perception play out the themes of extraordinary desires. If love transcends all boundaries, then paranormal romance is its logical conclusion. From the biggest names around, here are 41 tales to take you to another time and place.

Remnant: Star Wars Legends Sep 30 2020 As the bloodied and weary galaxy faces battle once more, the Jedi take on the formidable task of bringing the last of the Empire into the light. . . . From the ashes of the New Republic—torn to shreds by the savage Yuuzhan Vong forces—the newly formed Galactic Alliance has risen, determined to bring peace to the entire galaxy. But first the Yuuzhan Vong must be contained once and for all. And so Luke Skywalker seeks a world long lost to legend: Zonama Sekot, a sentient planet believed to have repelled an invasion by the Yuuzhan Vong decades ago. Deciphering the enigmatic secrets of Zonama Sekot just might turn the tides of a relentless war. Aboard the Jade Shadow, Luke, his wife Mara, Jacen Solo, and other Jedi head off into the Unknown Regions, where rumors and clues suggest Zonama Sekot might be found. Yet the mission has barely begun when the searchers stumble into a horrific battle. The Imperial Remnant, in retreat from the mighty Yuuzhan Vong, is about to be destroyed. It would seem those aboard the Jade Shadow have little choice but to leave the Empire to its fate. But these are no ordinary space travelers, they are Jedi. . . . Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Longy Dec 02 2020 Sean Long is Super League's No 1. bad boy, and when it comes to off-the-pitch madness, no one comes close. Here, the flamboyant St. Helens superstar tells his hilarious, shocking, and explosive life story—packed with amazing tales of booze, brawls, sex, and scandal. The only player to win the Lance Todd Trophy three times tells the inside story of that bet against his own team and exposes secrets that will shock the rugby league establishment to its core. In his own words, he describes with startling honesty the hellraising experiences of his rag-to-riches journey. But it isn't all about his wild reputation—Long has also had an incredible rugby league career, winning every major honor in the game at club level as well as notching up 15 caps for Great Britain and another five for the England side. He has

twice set the Super League record for the most points scored in a season, with 284 in 1999 and a staggering 352 in 2000. Not just for rugby league fans, this book is a must-read for anyone with a taste for life on the wild side.

Twilight Warriors Aug 22 2022 Every army has them. Every nation needs them. Now enter the world of...Twilight Warriors. Deadly Scud hunts in the Gulf War. Daring hostage rescue missions at London's Iranian Embassy and the Japanese Embassy in Peru. Special Forces go where no one else will...and do what no other army would dare... Now, in vivid, fascinating detail, journalist and counterterrorism expert Martin C. Arostegui tells their stories: secret training exercises in the Australian desert; pitched warfare in the Falklands, Northern Ireland, and the Middle East; and some of the most X-rated R&R strikes ever carried out around the world. From the weapons they use to the secrets they guard, this is the explosive story of the few, the elite, and the brave-- with the skill and daring to take on any enemy, any place, any time... Includes 8 pages of photographs

Can You Dig It: The Phenomenon of The Warriors Apr 30 2023 CAN YOU DIG IT Walter Hill's The Warriors was not just a motion picture—it was a social phenomenon on every level. The tale of a Coney Island street gang who, framed for murder, have to make the perilous journey back to home turf across the terrain of rival crews out for revenge, it caused a sensation when it hit the theaters in early 1979. Despite a low budget, an absence of marquee names, and minimal promotion, it proceeded to lead the box office, devoured by an urban youth that had never before been represented non-judgmentally on screen. Within weeks, though, the glory was tarnished when deaths at and around screenings created an unparalleled controversy about imitation of on-screen violence. The Warriors never recovered commercial momentum. However, it never lost its critical kudos, partly deriving from its plot's unlikely origin—courtesy of the 1965 source novel by Sol Yurick—in Greek classic Anabasis. It now enjoys cult-classic status. “Can you dig it?”—the call to arms against the Man dramatically enunciated by rival gang leader Cyrus—is now one of cinema's immortal catchphrases. Sean Egan has spoken in depth to the people who made The Warriors, including its director-screenwriter, producers, stunt coordinator, costume designer, soundtrack composer, and starring actors. He details how its shoot was engulfed in acrimony and strife, including a spiraling budget, the leading lady breaking her arm, and intimidation from loitering real-life gang members. Then there was the astonishing decision taken halfway through shooting to fire the leading man. He explains how the controversy surrounding the movie caused Paramount Pictures to take the devastating decision to pull it from theaters. He then explores the way public affection and critical goodwill ultimately saw The Warriors and its cast and crew rehabilitated and vindicated. Can You Dig It is the full story of the rollercoaster journey of a remarkable film.

Warriors: The Greatest Fighters in History Jan 27 2023 WARRIORS is a feast of cool visuals--you'll see a wealth of objects and artifacts that will leave you wide-eyed. Explore collections of weapons, armor, uniforms, medals, everyday equipment, and much more. Find out what these objects can show us about battle tactics, key moments in history, and life as a soldier. Meet the most famous warriors of all time. What weapons did ancient Spartan warriors use? How heavy was a knight's armor? What equipment did Civil War soldiers rely on? Who were the first warriors to take to the skies? What hi-tech kit gives today's pilots the edge? WARRIORS use hundreds of images along with fact-packed infographics and expert text to present important and unique information that holds kids' attention and appeals to their desire to collect amazing facts.

[A Warrior's Mindset](#) Sep 23 2022 As a Special Forces Green Beret Commander, Sean Patton earned the respect of his men and chain of command while operating in hostile and politically sensitive environments. Now in the private sector, Sean has applied these lessons in new ways growing his own companies and helping others maximize their performance. After 20 years of development, Sean shares his complete framework for life. A Warrior's Mindset: The 6 Keys to Greatness is for those who want to experience life to

its fullest and aren't satisfied with "good enough." It's for those brave souls who know they have greatness inside and are ready to take action. Contentment, fulfillment, and legacy creation await you on the other side of the journey to achieving A Warrior's Mindset. This isn't a feel-good book filled with soup for the soul stories and short-lived motivational anecdotes. A Warrior's Mindset is a tool for transformational change, filled with deep personal inquiry, proven strategies, and immediate action steps to begin your journey to greatness. Leaders, entrepreneurs, and A-type overachievers this is your roadmap to ultimate success. Create the world you deserve, unlock the greatness within.

Clankillers Vol. 1 Jun 20 2022 Like the demented stepchild of Game of Thrones, Braveheart and Mark Millar's Kick Ass, Sean Lewis (BETROTHED, The Few, Coyotes) brings readers into an ancient Ireland filled with clans, mystics, warriors and monsters of mythic proportion! Finola has a problem--her father is losing his mind. All the old king cares about is power...and Finola thinks power is stupid. Finola thinks her vicious older sisters are stupid. Finola thinks the royal court is stupid, and above all she thinks the clans across the country are stupid. So she makes a plan with her good friend Cillian: Let's kill all the clans. And then, we go for dad.

Outlaw Platoon Jan 15 2022 A riveting story of American fighting men, Outlaw Platoon is Lieutenant Sean Parnell's stunning personal account of the legendary U.S. Army's 10th Mountain Division's heroic stand in the mountains of Afghanistan. Acclaimed for its vivid, poignant, and honest recreation of sixteen brutal months of nearly continuous battle in the deadly Hindu Kesh, Outlaw Platoon is a Band of Brothers or We Were Soldiers Once and Young for the early 21st century—an action-packed, highly emotional true story of enormous sacrifice and bravery. A magnificent account of heroes, renegades, infidels, and brothers, it stands with Sebastian Junger's War as one of the most important books to yet emerge from the heat, smoke, and fire of America's War in Afghanistan.

The Fallen Jul 21 2022 Armageddon has come. Angels and demons have erupted onto Earth's surface, battling for domination. Alisha Grace witnesses this battle, and she, like so many others, expects the angels to win. It soon becomes apparent, however, that the demon forces have powers beyond belief as Gabriels angelic forces lose Armageddon. Rai is a fallen angel, leading the fight with his demon allies. Commander Krillion and Captain Zara are leaders in the Seraphim force, and although their armies have lost to Lucifer's demonic legions, they will not give up. But there is much more to this endgame battle than meets the eye. Even demons have history, and Rai will soon discover on which side he truly belongs. In the meantime, Israfil, the angel of judgement day, receives a new vision. As hell covers the Earth in its dark genesis, Israfil senses the building of a new team that will fight the evil ones. A demon, a girl from Earth, warriors of the Seraphim and a being brought forth from Purgatory will fight on the same side and only time will tell if they will be victorious, or if hope will be lost and darkness will rule the world for all eternity.

The SAGE Encyclopedia of War: Social Science Perspectives May 07 2021 Traditional explorations of war look through the lens of history and military science, focusing on big events, big battles, and big generals. By contrast, The SAGE Encyclopedia of War: Social Science Perspective views war through the lens of the social sciences, looking at the causes, processes and effects of war and drawing from a vast group of fields such as communication and mass media, economics, political science and law, psychology and sociology. Key features include: More than 650 entries organized in an A-to-Z format, authored and signed by key academics in the field Entries conclude with cross-references and further readings, aiding the researcher further in their research journeys An alternative Reader's Guide table of contents groups articles by disciplinary areas and by broad themes A helpful Resource Guide directing researchers to classic books, journals and electronic resources for more in-depth study This important and distinctive work will be a key reference for all researchers in the fields of political science, international relations and sociology.

A Statistical History of Rugby League - Dec 14 2021 The Greatest Game of All or Rugby League as it is known to some has given me nearly a half a century of pleasure and a little pain. In 1966 at the ripe old age of 6 I was introduced to our game when my Uncle Harry moved into the bedroom I shared with my younger brother in a 2 bedroom fibro joint in Rockdale (Dragon Territory). Harry was playing lower grades for Jack Gibsons Roosters and went on to play for St George in the 1971 Grand Final against my other front row mate John Sattler and his Rabbitohs. By the age of 9 I had memorized every player in the Big League

magazine. The game became my obsession. Even if I had not been lucky enough to play over 100 games in the best competition in the world (arguably in any sport) Rugby League was in my blood. As a Rothmans Medal winner (the official player of the year award in 1983 succeeded by The Dally M Medal) I have always been aware of the history of our great game and its effect on society especially in the northern states of Australia. Apart from obtaining a Law degree at Sydney University I studied the Politics in Sport while completing my Arts Degree at Macquarie University. I believed our game was ahead of sports like baseball, gridiron and basketball that relied heavily on statistics to rate their great players. Ours is a game of passion made for the blue collar working classman relying on guts and determination not on how many yards and minutes someone makes or plays. However as we get older we all like to dig deep into history and see who had the ability and drive to play even one game in the toughest competition playing the greatest game of all. This book does what none other has attempted to do tell a story using numbers and statistics about our great game. It is something every player and fan would do well to study. Stephen Kane the author of this book could be a reincarnation of Stephen Harold Gascoigne, better known as Yabba whose statue stands proudly at the Sydney Cricket Ground. Yabba was known for his knowledgeable witticisms shouted loudly from The Hill, a grassy general admissions area of the SCG. A lot like Yabba Kaney can be found every winter Sunday on the hill at Greenfield Park Albury (or away in Junee, Temora or Wagga) cheering his beloved Thunder to victory in the Group 9 Premiership loudly and clearly from 10 am to 5.30pm. In his spare time since breaking his back 7 years ago he has collected statistics on players in the NSWRL (now known as the NRL) dating back to 1908. The first words Kaney said to me was I have every Rugby League Week ever published as he showed me his EELS tattoo. You got sin binned once in your career at North Sydney Oval in 1983 or was it 1984?? I knew I was in the company of a Rugby League tragic. This study of our game will help all of us who love the game and those of us lucky enough to have played it a better insight into the players of the greatest game of all from the top to the bottom. Written by Mike Eden, who played 110 Games for Manly, Easts, Parramatta and Gold Coast, is Gold Coast Player Number 1, and Won the Dally M award for Player of the Year in 1983

Warrior Mindset Oct 24 2022 If you constantly wake up tired and stressed and you feel like life is very hard, this guide will change your mindset and apply it to modern life. This is about knowing what you want and going for it. It's about being tough and it's about not...

Panda Force #1 Jun 08 2021 A group of highly-trained infant warriors by the name of Panda Force have been sent from the future to battle monstrous villains sent by the mysterious Tyrannis Khan. With panda mechsuits, and witty one-liners, the Panda Force girls fight to protect the people of Seaberry.

Fighting the Fire Dec 26 2022 "Talk about insane chemistry! This couple is fiery and you'll love the banter between these two!!!" ~ CK Bookstammer One night is never enough... For firefighter Sean Riddick, Warrior Fight Club keeps the demons of his past at bay, even though it means seeing Daniela England. Her ball-busting sarcasm drives him nuts, and he knows he's damaged goods anyway, but he can't help but remember how good they were together that one time. Now he wants to take her to the mats no matter how much they go toe to toe. ER nurse Daniela England has lost so much that she's vowed never to need anyone again. Fight club helps her beat back her survivor's guilt, but it means dealing with Riddick. The hot-but-infuriating firefighter is everything she wants to avoid, which is why their one-night stand was a mistake. Now she needs to keep her distance so it doesn't happen again. But when Dani witnesses Sean's motorcycle accident, she steps up to help him recover. One on one, they get beneath all the snark and find a connection neither expected. As Sean heals, the sparks between them burst into red-hot passion—and ignite old wounds. Now there are fires all around—and they have to decide which they'll fight and which they'll let consume them.

Souls in the Great Machine Apr 06 2021 The great Calculor of Libris was forced to watch as Overmayor Zarvora had four of its components lined up against a wall and shot for negligence. Thereafter, its calculations were free from errors, and that was just as well for only this strangest of calculating machines and its two thousand enslaved components could save the world from a new ice age. And all the while a faint mirrormoon hangs in the night sky, warning of the cold to come. In Sean McMullen's glittering, dynamic, and exotic world two millennia from now, there is no more electricity, wind engines are leading-edge technology, librarians fight duels to settle disputes, steam power is banned by every major religion,

and a mysterious siren "Call" lures people to their death. Nevertheless, the brilliant and ruthless Zarvora intends to start a war in space against inconceivably ancient nuclear battle stations. Unbeknownst to Zarvora, however, the greatest threat to humanity is neither a machine nor a force but her demented and implacable enemy Lemorel, who has resurrected an obscene and evil concept from the distant past: Total War. Souls in the Great Machine is the first volume of Sean McMullen's brilliant future history of the world of Greatwinter

Libram Mysterium Volume 1 Apr 25 2020 Join vengeance-seeking ghouls in Dylath-Leen; an expedition to the cursed ruins of an ancient city; a mercenary company with only one criterion for recruits: they must already be dead. This anthology recalls the pulp fantasy stories of the early- to mid-twentieth century: from pulse-pounding sword & sorcery adventure to chilling tales of the macabre, eldritch horrors, ruthless warriors, and fabulous treasures await within!

The Retreat to Avalon Nov 01 2020 Fifteen hundred years have turned history into legend... Frustrated with living in the shadow of the elder warriors, Gawain dreams of glory in a time of peace. After three generations of struggle against a flood of ruthless invaders, Britain has finally clawed its way back within reach of security and prosperity. Across the sea, Rome is crumbling under an onslaught of barbarian attacks, internal corruption and civil war. Desperate for allies, Rome's last great emperor looks to Britain and the rising fame of her High King, Arthur. Events sweep Gawain along in a tide that takes him far from his home in Britain to a terrible war in Gaul. Intrigue and betrayal vie with loyalty and valour in an epic adventure at the last, bright flash of light before "The Dark Ages." The Retreat to Avalon is the exciting beginning of a new Historical Fiction trilogy exploring the origins of the Arthurian legends, anchored in the events of the end of the Roman Empire and the beginning of the Middle Ages. AUTHOR INTERVIEW 1) What inspired you to write this story? After watching the movie, Excalibur, my future bride asked me some questions about King Arthur and his knights, so I proceeded to go full history nerd on her. I described some of the theories, including Geoffrey Ashe's, and wondered how it might have played out in history if true. I wished that someone would write a story about it and it occurred to me that I should puzzle it out. 2) What do you find fascinating about King Arthur? I love the mystery of the Dark Ages. The history surrounding Arthur's era is fascinating, with the Roman Empire collapsing in the west, tribal migrations, wars and new nations forming. Most people have never read the original stories about Arthur and his warriors, before the Knights of the Round Table and other later legends developed. Did you know they were more likely to fight giants than dragons? 3) How hard is it to bring real historical events to life in an Arthurian novel? It's not easy. There are very few records from the time period, and much of what exists is fragmentary or contradictory. Timelines are especially frustrating, partly because everyone used different dating schemes then, or guessed at dates. Historical references to Arthur are very sparse. 4) Did you discover anything about Arthur and the knights of the round table that you didn't expect? There is so much! One is that some of the older legends portray some negative aspects about Arthur. A very surprising bit of research into the legends and backgrounds of different characters showed that some details about St. Illtud, one of Arthur's knights in early legend, might have had some seed of truth to the story. 5) Can you tell us a little about the next book in the series? The consequences of the events of the first book take shape in the second book. While the first book covers a bit over a year and has much to do with the main character's journey, the next story covers many years, is more personal, darker, grittier. Tragic, but heroic, like an epic should be.

The Call of the Wild May 19 2022 The adventures of an unusual dog, part, St. Bernard, part Scotch shepherd, that is forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.

Rai Deluxe Edition Book 1 HC Aug 10 2021 From New York Times best-selling writer Matt Kindt (DIVINITY, THE VALIANT) and superstar artist Clayton Crain (Carnage), discover the world of 41st century Japan with an all-new vision of the future unlike anything you've seen before ? now in deluxe, oversized hardcover! Collecting?RAI #1?12, along with material from?RAI #1 PLUS EDITION?and?RAI #5 PLUS EDITION, this prestige-sized hardcover comes packed with more than 20 pages of rarely seen art and extras direct from the Valiant vaults.

Basketball on Paper Feb 04 2021 Journey "inside the numbers" for an exceptional set of statistical tools and rules that can help explain the winning, or losing, ways of a basketball team. Basketball on Paper doesn't diagram plays or explain how players get in shape, but instead demonstrates how to interpret player and team performance. Dean Oliver highlights general strategies for teams when they're winning or losing and what aspects should be the focus in either situation. He describes and quantifies the jobs of team leaders and role players, then discusses the interactions between players and how to achieve the best fit. Oliver conceptualizes the meaning of teamwork and how to quantify the value of different types of players working together. He examines historically successful NBA teams and identifies what made them so successful: individual talent, a system of putting players together, or good coaching. Oliver then uses these statistical tools and case studies to evaluate the best players in history, such as Magic Johnson, Wilt Chamberlain, Bill Russell, and Charles Barkley and how they contributed to their teams' success. He does the same for some of the NBA's "oddball" players-Manute Bol, Muggsy Bogues, and Dennis Rodman and for the WNBA's top players. Basketball on Paper is unique in its incorporation of business and analytical concepts within the context of basketball to measure the value of players in a cooperative setting. Whether you're looking for strategies or new ideas to throw out while watching the ballgame at a sports bar, Dean Oliver's Basketball on Paper will give you amazing new insights into teamwork, coaching, and success.

Live Free Or Die Jul 09 2021 #1 New York Times Bestseller America's top-rated cable news host offers his first book in ten years: a look at America's fight against those who would reverse our tradition of freedom—a fight we can't afford to lose in 2020. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy first in the sixties and now—more insidiously than ever—in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. Our fate if we succumb to a Democratic victory in 2020? A big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, "Freedom is but one generation away from extinction," and his words have never rung truer. In Live Free or Die, Sean demonstrates why now is an All Hands on Deck moment to save the Republic. His solution is simple: if all you can do is vote, then vote. But if you can inform people of the truth, that's even better. And the truth is that the future of American freedom rests on Donald Trump's reelection.

Dictionary of the Ponca People Dec 22 2019 Published through the Recovering Languages and Literacies of the Americas initiative, supported by the Andrew W. Mellon Foundation. Dictionary of the Ponca People presents approximately five thousand words and definitions used by Ponca speakers from the late nineteenth century to the present. Until relatively recently, the Ponca language had been passed down solely as part of an oral tradition in which children learned the language at home by listening to their elders. Almost every family on the southern Ponca reservation in Oklahoma spoke the language fluently until the 1940s, when English began to replace the Ponca language as children entered government boarding schools and were forced to learn English. In response to demand, Ponca language classes are now being offered to children and adults as people seek to gain knowledge of this important link to tradition and culture. The approximately five thousand words in this volume encompass the main artery of the language heard and spoken by the parents and grandparents of the Ponca Council of Elders. Additional words are included, such as those related to modern devices and technology. This dictionary has been compiled at a time when the southern Poncas are initiating a new syntactic structure to the language, as few can speak a full sentence. This dictionary is not intended to recover a cultural period or practice but rather as a

reference to the spoken language of the people.

Breathing for Warriors Jun 27 2020 Dr. Belisa Vranich's ground-breaking second book teaches the science, techniques, and benefits of breathing correctly and efficiently for warriors in all walks of life. People are less in touch with their bodies—and especially their breathing—than ever before. Ironically, athletes and others who pride themselves on taking care of their bodies actually put themselves at greater risk. Why? Because they're asking their body to take on next-level demands, but failing at life's most essential skill: efficient breathing. Proper breathing is the world's most powerful biohack. Learning it will help you feel better, avoid injury, and perform at your very best (including in bed!). Champion gladiators, master martial artists, even spearfishers all had one thing in common: efficient breathing to achieve flawless execution. An elite few still understand: Navy SEALs who need to make the perfect shot, super-elite weightlifters who truly understand how to harness and channel their energy, free-divers who can spend seemingly impossible amounts of time underwater, and high-profile execs who keep calm before multi-billion-dollar presentations. You can learn their secrets. From the corporate athlete to the tactical ninja, *Breathing for Warriors* is a practical, science-forward book that focuses on everything related to breathing and performance—from muscles and workouts to an impenetrable inner game.

The World of the Galloglass Apr 18 2022 This volume contains the proceedings of a recent Edinburgh conference at which scholars discussed the intersection of Scottish and Irish politics and culture in the later Middle Ages. It was a world epitomized by the neglected figure of the galloglass and several of the papers explore the role of these West Highland dynasties and their rapid proliferation throughout Ireland from the late thirteenth century onwards, but the volume also examines the high politics of Scottish royal involvement in Ireland, and the common culture of Gaeldom, particularly as manifested in the corpus of surviving bardic verse. Contributors include: Steve Boardman, David Caldwell, Alison Cathcart, Seán Duffy, David Edwards, Wilson McLeod, Kenneth Nicholls, Alasdair Ross, Katharine Simms, and Alex Woolf.

The Mammoth Book of Kaiju Aug 30 2020 Giant monsters whose every roar and footstep shakes the earth, whose simple stroll through a city wreaks havoc: KAIJU! And even though humankind has never really seen such monsters - we tremble at the thought of them and love to shiver as their screen versions make mayhem: the beast from twenty-thousand fathoms, Godzilla demolishing Tokyo, the massive creature in Cloverfield destroying New York, all of Earth warring with the colossal monsters in Pacific Rim. Now, for the first time, a definitive anthology that gathers a wide range of larger-than-life short fiction with creatures that run a gargantuan gamut: the stealthy gabbleduck of Neal Asher's Polity universe; Gary McMahon's huge sea-born terror; An Owomoyela 's incredibly tall alien invaders; Frank Wu's city-razing, eighty-foot-high, fire-breathing lizard; Lavie Tidhar's titanic ship-devouring monstrosity; a really big Midwest US smackdown related by Jeremiah Tolbert . . . and many more mega-monster stories to feed your need for killer kaiju! With an introduction by Robert Hood, co-editor of the groundbreaking, Ditmar Award-winning *Daikaiju: Giant Monster Tales* and host of *Undead Backbrain*, the premier website for matters relating to giant monsters.

Modern Warriors Jul 29 2020 A New York Times bestseller. From FOX & Friends Weekend cohost Pete Hegseth comes a collection of inspiring stories from fifteen of America's greatest heroes—highly decorated Navy SEALs, Army Rangers, marines, Purple Heart recipients, combat pilots, a Medal of Honor recipient, and more—based on FOX Nation's hit show of the same name. After three Army deployments—earning two Bronze Stars and a Combat Infantryman's Badge—Pete Hegseth knows what it takes to be a modern warrior. In *Modern Warriors* he presents candid, unfiltered conversations with fellow modern warriors and digs for real answers to key questions like: What inspired them to serve? What is their legacy? What does sacrifice really mean to them? How do they handle loss? And what can civilians learn from this latest generation of veterans? From the skies over Afghanistan to the seas of the Mediterranean to the treacherous streets of Iraq, these brave men and women take you inside the firefight, sharing the harrowing realities of war. Hegseth uses their experiences to facilitate conversations about the raw truths of combat, including the difficulties of transitioning back home, while also celebrating these soldiers' contributions to preserving our nation's most precious gift—freedom. In addition to the oral history, *Modern Warriors* presents dozens of personal, rarely shared photos from the battlefield and the home front. Together these stories and images provide an unvarnished representation of battlefield leadership, military

morale, and the strain of war. This book is the perfect keepsake and gift for anyone who wants to know what it means, and what it truly takes, to be a patriot.

Eco-Warriors, Nihilistic Terrorists, and the Environment Feb 16 2022 To counter eco-terrorism, we must understand why it occurs. *Eco-Warriors, Nihilistic Terrorists, and the Environment* is a comprehensive examination of the vulnerability of the natural environment, of its nexus with the strategic goals of terrorists, and of a security-planning methodology that can prevent or ameliorate environmentally linked attacks. The first book to comprehensively address the prevention of environmentally focused terrorism, this work looks at the environment and the private and government facilities that impact it as assets to be protected. Focusing on the capability of lone-wolf terrorists and small, self-radicalizing cells to commit effective violent acts, security expert Lawrence E. Likar furnishes personality and operational profiles of both nihilistic and eco-warrior terrorists, showcasing an essential component of the behavioral-science-based, security-planning methodology he promotes. Most critically, the book addresses the gap in current security-planning methodology and literature, and it reveals novel intelligence-gathering techniques, operational procedures, and countermeasures designed to defend against attacks.

Kafkaesque Laws, Nisour Square, and the Trials of the Former Blackwater Guards Nov 25 2022 This book uses a Kafkaesque lens to study the public and legal features of the coverage of the Nisour Square shootings of 2007. It illustrates how most American communities were much more interested in regulating private security firms than they were in having legal discussions of potential war crimes.

100 Things Avengers Fans Should Know & Do Before They Die Jan 23 2020 With extensive backstories and comic lore, this lively, detailed book explores the characters, storylines, and facts every Avengers fan should know. This guide covers the history of how the group went from Justice League knockoff to billion-dollar franchise; the history of Ultron, Thanos, and the Infinity Gauntlet; and the series' seminal storylines, writers, and artists. It includes information on everyone's favorite Avengers, including Iron Man, Thor, Hulk, Captain America, Hawkeye, and Black Widow, as well as members of the Secret Avengers and the New Avengers. Author Daniel Casey has collected every essential piece of Avengers knowledge and trivia, including why the Avengers went out for shawarma, as well as must-do activities, such as how to make the most of your Comic-Con experience and how to properly preserve your comic book collection, and ranks them all, providing an entertaining and easy-to-follow checklist for fans of all ages.

The Warrior's Honor Oct 12 2021 Since the early 1990s, Michael Ignatieff has traveled the world's war zones, from Bosnia to the West Bank, from Afghanistan to central Africa. *The Warrior's Honor* is a report and a reflection on what he has seen in the places where ethnic war has become a way of life. Ignatieff charts the rise of the new moral interventionists--the relief workers, reporters, delegates, and diplomats who believe that other people's misery is of concern to us all. And he brings us face-to-face with the new ethnic warriors--the warlords, gunmen, and paramilitaries--who have escalated postmodern war to an unprecedented level of savagery. Hard-hitting and passionate, *The Warrior's Honor* is a profound and searching exploration of the perils and obligations of moral citizenship in a world scarred by war and genocide.

The Warriors of Spider Feb 22 2020 The groundbreaking novel that launched Gear's sci-fi career—this 20th anniversary edition introduces readers to the thrilling Spider trilogy The Directorate was run by the powerful few—genetically-altered humans permanently linked with the GI-net, the massive computer network that contained everything there was to know about the planets and space stations claimed by humankind. For centuries, the Directorate had ruled over countless star systems, its authority absolute and unquestioned. But now stirrings of rebellion were being felt in the far-flung commercial empire. And at this crucial time, the Directorate had discovered a planet out beyond its farthest reaches, a place known only as World, where the descendants of humans stranded long ago by a starship crash had survived by becoming a race of warriors, a race led by its Prophets, men with the ability to see the many possible pathways of the future. Men who had already foreseen the coming of the Directorate's Patrol ship Bullet—and were preparing their warriors for this first contact in which even one wrong choice could destroy both World and empire....

Ninja Mar 29 2023 "Engaging images accompany information about ninja. The combination of high-interest subject matter and light text is intended for students in grades 3 through 7"--Provided by publisher.

The Warriors Feb 28 2023 The basis for the cult-classic film *The Warriors* chronicles one New York City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed and chaos prevails over the attempt at order. *The Warriors* follows the Dominators making their way back to their home territory without being killed. The police are prowling the city in search of anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers, left behind by society, who form identity and personal strength through their affiliation with their "family," *The Warriors* weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

Ink-stained Amazons and Cinematic Warriors Jan 03 2021 From "Wonder Woman" to Buffy Summers, Emma Peel to Sydney Bristow, "Charlie's Angels" to "The Powerpuff Girls", Superwomen are more than just love interests or sidekicks who stand by their Supermen. In her new book, Stuller shows how the female hero in modern mythology has broken through the boy's club barrier of tradition and reveals the pivotal role of high-heeled crime fighters in popular culture. Featuring spies and sexuality, daddy's girls and super-mothers, this is a comprehensive, engaging and thought-provoking guide to female detectives, meta-humans and action heroines, as well as their creators, directors, performers, and consumers. The book also includes a glossary of modern mythic women, from Aeon to Zoe, as well as a foreword by acclaimed cultural commentator Roz Kaveney, author of "Superheroes! Capes and Crusaders in Comics and Films" (published by I.B. Tauris, April 2008).

Remnant: Star Wars Legends Sep 11 2021 As the bloodied and weary galaxy faces battle once more, the Jedi take on the formidable task of bringing the last of the Empire into the light. . . . From the ashes of the New Republic—torn to shreds by the savage Yuuzhan Vong forces—the newly formed Galactic Alliance has risen, determined to bring peace to the entire galaxy. But first the Yuuzhan Vong must be contained once and for all. And so Luke Skywalker seeks a world long lost to legend: Zonama Sekot, a sentient planet believed to have repelled an invasion by the Yuuzhan Vong decades ago. Deciphering the enigmatic secrets of Zonama Sekot just might turn the tides of a relentless war. Aboard the *Jade Shadow*, Luke, his wife Mara, Jacen Solo, and other Jedi head off into the Unknown Regions, where rumors and clues suggest Zonama Sekot might be found. Yet the mission has barely begun when the searchers stumble into a horrific battle. The Imperial Remnant, in retreat from the mighty Yuuzhan Vong, is about to be destroyed. It would seem those aboard the *Jade Shadow* have little choice but to leave the Empire to its fate. But these are no ordinary space travelers, they are Jedi. . . .

East Central European Migrations During the Cold War Nov 13 2021 "An extremely useful and much needed survey. Over eleven chapters, authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993. Following in the footsteps of Klaus Bade's *Encyclopedia of European Migrations*, the authors make extensive use of sources in national languages, while providing an extensive overview of population movements in the region between the Baltic, Black, and Adriatic Seas. The individual chapters shed light on phenomena overlooked in other volumes, including individual state reactions to various migratory phenomenon, and the political, economic, and ideological consequences of human movement. The chapters of this volume are uniform not only in their informative nature, but also in suggesting new pathways for in-depth research." Adam Walaszek, Jagiellonian University, Kraków, Poland "Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region. This volume comes at a timely moment and provides a uniquely comprehensive account, full with useful information for further research. It will be a must-read both for migration studies scholars and for area specialists." Ulf Brunnbauer, Leibniz Institute for East and Southeast European Studies, Regensburg, Germany "The Handbook is a gift to students of migration on three counts. It gathers the expertise of scholars fluent in the languages - and familiar with the archives - of Eastern and Central Europe. Thus it

brings the multi-layered and complex histories of movement beyond the flat descriptor of "Soviet bloc" or Eastern European migrations. The Handbook is both rich and lucid, presenting in-depth materials on the European twentieth-century, on one hand, and organizing each chapter in a similar way, offering the reader transparently comparable histories. From Estonia south to Albania, and from the USSR west to the GDR, each chapter elucidates a complex migration history distinguished by national politics, ethnic composition, and economics - moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement, as well as the politics of Cold War emigrants themselves. Each chapter ends with an epilogue on post-1989 international migrations and a valuable addendum on published and archival sources. Finally, the Handbook models the kind of high quality work produced by international scholarly cooperation at its best." Leslie Page Moch, Michigan State University Table of contents Introduction (Anna Mazurkiewicz) Albania (Agata Domachowska) Baltic States: Estonia, Latvia and Lithuania (Pauli Heikkilä) Bulgaria (Detelina Dineva) Czechoslovakia (Michael Cude and Ellen Paul) Germany (Bethany Hicks) Hungary (Katalin Kádár Lynn) Poland (Sławomir Łukasiewicz) Romania (Beatrice Scutaru) Ukraine (Anna Fiń) USSR (Alexey Antoshin) Yugoslavia (Brigitte Le Normand)
