Life greets us in different ways each day: We experience joy, confusion, doubt and grief. We walk through seasons of loneliness and times of closeness with God, family and friends. Each event, the birth of a new baby, the death of a loved one, the sound of a familiar melody, can be an occasion for prayer. In *A Book of Simple Prayers*, beloved songwriter Gloria Gaither shares the prayers she has prayed in moments like these. At times questioning, playful, trusting or anxious, this collection of Gloria's prayer poetry is a medley of honest and open-hearted conversation with God. With her renowned mastery of language and matchless instinct for just the right turn of phrase, she invites us to pray along with her, expressing our hopes and heartaches to the God who listens. For most people most of the time, prayer is hard. It is especially difficult—not to mention unsatisfying—when people experience it as formal, dry, and repetitious. But what might happen if you discovered a simple prayer that changed all that? What if you discovered a prayer that changed you? In *A Simple, Life-Changing Prayer*, Jim Manney introduces Christians to a 500-year-old form of prayer that dramatically altered his perception of prayer and the way he prayed. The prayer is the examen, which St. Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence. What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere "up there," detached from our day-to-day tasks and concerns. Instead, the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created. By following five simple yet powerful steps for praying the examen, we can encounter the God who, as Scripture tells us, "is not far from each one of us"—the God whose presence in our lives can make all the difference in the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of Lightnin' Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful.
