"Seharusnya, aku tidak boleh mengharapkanmu. Seharusnya, aku  
tahu diri. Tapi, Lana..., ketakutanku yang paling besar adalah... aku  
kehilangan dirimu pada saat aku punya kesempatan memilikimu."  
—Samuel "Untuk berada di sisimu, aku harus membuang semua yang  
kumiliki. Duniaku. Apa kau sadar?" —Lana Dua orang yang tidak  
menginginkan komitmen dalam cinta terjatuh situasi yang membuat  
mereka harus mulai memikirkan komitmen. Padahal, bagi mereka,  
kebersamaan tak pernah jadi pilihan. Ambisi dan impian jauh lebih  
nyata di bandingkan cinta yang hanya sementara. Lalu, bagaimana  
saat menyerah kepada cinta, justru membuat mereka tambah saling

menyakiti? Berapa banyak yang mampu mereka pertaruhkan demi sesuatu yang tak mereka duga? -GagasMedia- Hanna, listen. Don't cry, don't cry. The world is envy. You're too perfect and she hates it. Aku tahu kau menyembunyikan luka di senyummu yang retak. Kemarilah, aku akan menjagamu, asalkan kau mau mengulurkan tanganmu. Waktu tidak berputar ulang. Apa yang sudah hilang, tidak akan kembali. Dan, aku sudah hilang. Aku ingat kata-katamu itu, masih terpatri di benakku. Aku tidak selamanya berengsek. Bisakah kau memercayaiiku, sekali lagi? Kilat rasa tak percaya dalam matamu, membuatku tiba-tiba meragukan diriku sendiri. Tapi, sungguh, aku mencintaimu, merindukan manis bibirmu. Apa lagi yang harus kulakukan agar kau percaya? Kenapa masih saja senyum retakmu yang kudapati? Hanna, kau dengarkah suara itu? Hatiku baru saja patah. \*\*\* Sebuah buku novel tentang kisah percintaan yang romantis, persembahkan penerbit Gagasmia Masa lalu akan tetap ada. Kau tak perlu terlalu lama terjebak di dalamnya. Pada kisah ini, kau akan bertemu An. Perempuan dengan tawa renyah itu sudah lama tak bisa keluar dari masa lalu. Ia menyimpan rindu, yang membuatnya semakin kehilangan tawa setiap waktu. Membuatnya menyalahkan doa-doa yang terbang ke langit. Doa-doa yang lupa kembali kepadanya. An tahu, seharusnya ia tinggalkan kisah sedih itu sejak berhari-hari lalu. Namun, ia masih saja di tempat yang sama. Bersama impian yang ternyata tak mampu ia jalani sendiri, tetapi tak bisa pula ia lepaskan. Pernahkah kau merasa seperti itu? Tak bisa menyalahkan siapa-siapa, kecuali hatimu yang tak lagi bahagia. Pernahkah kau merasa seperti itu? Saat cinta menyapa, kau memilih berpaling karena terlalu takut bertemu luka? Mungkin, kisah An seperti kisahmu. Diam-diam, doa yang sama masih kau tunggu. \*\*\* Sebuah buku novel percintaan yang berceritakan kisah romantis, persembahkan penerbit Gagasmia -GagasMedia- Ally Burnett is a longtime educator who hoped to one day share her life story. That story has come to fruition with Happitimes: The Early Years. The story takes the reader on an emotional roller coaster as Ms. Burnett describes her childhood in vivid detail, sometimes interjecting academic insight into how she and her

siblings were affected by the abuse they lived. At times, her story is heart wrenching, but true to an understanding that domestic violence reaches every corner of human existence. Ms. Burnett continues to educate students with special needs in the Nashville area and hopes to write a book 2 to give continued validation to abused children. When Dashiell Hammett's *The Adventures of Sam Spade* made its debut over CBS in August 1946, the series became an instant success. Howard Duff, a virtual unknown among Hollywood circles, found himself bombarded with movie offers. The early broadcasts of the series revealed a dark side of Spade: stealing money out of a dead man's wallet to sleeping with a married woman. Over time, the script writers cut down on the dark side and added an emphasis of humor. Spade's romantic relationship with his secretary, Effie, was more obvious. While many recordings exist from the radio broadcasts of the 1940s and 1950s, a large percentage of the programs are considered lost. Today, fans of the program seek out those, especially the earliest broadcasts that shed light on just what kind of character Sam Spade is and the explanation for the popularity during the late 1940s. 13 scripts, most from a lost episode that fans cannot otherwise listen to via recording, are reprinted along with some of the earliest episodes. A holiday offering from the Steve Dunne season is included, as well as an episode revealing Sam's affections for another woman so strong he was willing to lose his secretary for her. The youngest son in a large family, easily overlooked by busy parents and siblings all significantly older than him, Remira has worked hard to get to where he is, though most would consider it little enough. A soldier at the local garrison, he spends his days protecting the village and surrounding land from encroaching beasts, and his nights assisting his parents with the family business. It's a better life than anyone expected for him, but still Remira longs for more, to visit places he only hears about, to see the

stars through telescopes he's only ever seen in catalogues. Opportunities like that don't go to the youngest son of furriers, however, and so he makes do with ogre-slaying and stargazing. Then, in the aftermath of a traumatic event, he learns some surprising news: his parents have arranged a marriage for him, and not to the local he'd been dreading, but to a merchant couple they've recently contracted with who live in a city several days away and are seeking a spouse with both martial experience and mercantile knowledge. It's not the opportunity he ever expected, but it's certainly one he's determined to meet and exceed—until he arrives to meet his future spouses and learns they never really wanted the marriage at all and fully intend to send him away the very moment the trial period is over. Although she has lived a faithful and godly life up to this point, Louise Wilds and her husband face a traumatic event seemingly unfitting for such a good family. Louise, like others in similar situations, understands that not everything that happens in life can be explained, but that doesn't mean it doesn't have a purpose in God's master plan. At forty years old, Louise births Kelly, a child with a heart defect. Questions arise as this new bundle of joy produces more concern, worry, and anger at the injustice of such a helpless situation. How could God give this family a "this child a life, only to take it away? Baby Kelly's life, though short, is about to produce a Pentecostal experience that will shake an entire community and generate a change in the life of believers and nonbelievers alike with the presence of a God who not only works in mysterious ways but also makes his presence known. Based on actual events, the birth of the innocent and a metaphysical message reveal that, although unexplainable, there must be faith, and, indeed, This Too Shall Pass." Ini kisah tentang keajaiban cinta. Tentang dua orang yang dipertemukan oleh hujan. Seorang pemuda lucu dan seorang gadis gila buku yang tidak percaya pada keajaiban. Di Charlotte Street London, mereka bertemu, tetapi kemudian berpisah jalan. Ketika jalan keduanya kembali bersilangan, sayangnya luka yang mereka simpan mengaburkan harapan. Ketika salah seorang percaya akan keajaiban cinta, bahwa luka dapat disembuhkan, salah seorang lainnya menolak

untuk percaya. Apakah keajaiban akan tetap ada jika hati kehilangan harapan? Apakah mereka memang diciptakan untuk bersama meski perpisahan adalah jalan yang nyata? To the world you are an abomination; a monster with unholy abilities. You're shunned and left to fend for yourself. Your only chance of survival is to tap into that dark potential - would you do it? In an isolated mountain community, sometimes a child is born with two hearts. Such a child - a striga - is considered a dangerous demon, which must be abandoned on the edge of the forest to protect the community. The only choice the child's mother can make is whether to leave her home with her infant, or stay behind and try to forget. Miriat made her choice. She and her nineteen-year-old striga daughter, Salka, now live a life of deprivation and hardship in a remote village, where to follow the impulses of the other heart is forbidden. But Salka is headstrong and young, and when threatened with losing everything, she is forced to explore the depths of her true nature, testing the bonds between mother and child.

File Under: Fantasy [ Breaking Taboos | Hidden Shadows | Hungry Like the Wolf | Slavic Story ] Sometimes the happiest and holiest time of the year is also the hardest for people to enjoy. These daily readings offer the skeptic, the over-committed the opportunity to make room-perhaps just enough room-for God to show up. The weeks leading up to Christmas can spark a strong spiritual longing for more. Although it may never be articulated, we sense

beneath those longings is a yearning for an experience of God. These brief writings address the challenges and realities of the season and include a simple action, ritual or meditation designed to gently steer the reader toward the deeper meaning that underlies the season. Smart, witty, edgy—and always hopeful—readings by Quinn Caldwell include a brief prayer for each morning and evening during the entire Christmas season. This book takes seriously the modern person's hunger for meaning and import in a season that feels increasingly frivolous. Includes a calendar with one easy task to do each day. This compilation of 15,000 advertising slogans used by 6,000 companies should be a real boon for advertisers, triviaists, and librarians. --ARBA

If you want to learn to make the earth, what should you learn in school? Or what if you have to be one of the members who make this whole universe? Then you must be studying at Elemental School in this story and learn one elemental skill. Michael is a new teacher, teaching very adorable students—Fiery, Watery, Lightry, Earthy and Windry—preparing them to make our world. They learn their individual elemental skills and leave on a journey for the place to start that creation. Many funny things happen, and they also encounter difficult situations. Will they achieve their goal and overcome Lucifer, who loathes human beings? Elemental School is a story before our earth was created, even the whole universe. So it must be another world and 'Elemental School' is also in the place we've never experienced. So you can learn how to involve in this school from reading this. You can also realise that this other world is very closely connected with our world. That is the key. We could be there, and we will be there.
