In her words, "More is more." How much more? The #1 New York Times bestselling author of five works of nonfiction now serves up *The Sweet Potato Queens' First Big-Ass Novel: Stuff We Didn't Actually Do, but Could Have, and May Yet*. The humor in this uproarious coming-of-queen novel is more delicious than a favorite dessert (the Queens favor Chocolate Stuff™, of course). With her luxurious mane and voluptuous figure, Tammy Myers aspires to join the silver-spooners, who make things happen in their lives. When Jill convinces Tammy and the others that money might buy a certain kind of good time and that true friendship has no price tag, the "Sweet Potato Queens" are born. "If it ain't fun, we ain't doin' it," runs their official club motto, and the Queens are true to their word. Together, the Queens laugh out loud as they step down the long -- and not altogether pretty -- road toward making their very own queen dust, the sparkle that comes from livin' and lovin' their own lives. *The Sweet Potato Queens' First Big-Ass Novel: Stuff We Didn't Actually Do, but Could Have, and May Yet* reveals that the journey isn't always easy, but in the company of the Queens, you can sparkle, too.

Testimony Jan 01 2020 At a New England boarding school, a sex scandal is about to break. Even more shocking than the sexual acts themselves is the fact that they were caught on videotape. A Pandora's box of revelations, the tape triggers a chorus of voices -- those of the men, women, teenagers, and parents involved in the scandal -- that details the ways in which lives can be derailed or destroyed in one foolish moment. Writing with a pace and intensity surpassing even her own greatest work, Anita Shreve delivers in *Testimony* a gripping emotional drama with the impact of a thriller. No one more compellingly explores the dark impulses that sway the lives of seeming innocents, the needs and fears that drive ordinary men and women into intolerable dilemmas, and the ways in which our best intentions can lead to our worst transgressions.

The Romance of Wisconsin Place Names Mar 15 2021 "The names of places lie upon the land and tell us where we are or where we have been or where we want to go. And so much more."—From the introduction
Fifty years ago, educator and writer Robert E. Gard traveled across Wisconsin, learning the trivial, controversial, and landmark stories behind how cities, counties, and local places got their names. This volume records the fruits of Gard's labors in an alphabetical listing of places from every corner of Wisconsin, and the stories behind their often-unusual names. Gard's work provides an important snapshot of how Wisconsin residents of a bygone era came to understand the names of their towns and home places, many of which can no longer be found on any map. Celebrated rural historian Jerry Apps introduces this reprint of Gard's work, saying that in "some ways *The Romance of Wisconsin Place Names* is a reference book, a place where you can go to learn a little more about your home town. But in many ways it is much more than that, for it includes the stories of places throughout the state, submitted by the people who knew them. It is a book where story, people, and place all come together."

Central to Their Lives Sep 20 2021 Looking back at her lengthy career just four years before her death, modernist painter Nell Blaine said, "Art is central to my life. Not being able to make or see art would be a major deprivation." The Virginia native's creative path began early, and, during the course of her life, she overcame significant barriers in her quest to make and even see art, including serious vision problems, polio, and paralysis. And then there was her gender. In 1957 Blaine was hailed by *Life* magazine as someone to watch, profiled alongside four other emerging painters whom the journalist praised "not as notable women artists but as notable artists who happen to be women." In *Central to Their Lives*, twenty-six noted art historians offer scholarly insight into the achievements of female artists working in and inspired by the American South. Spanning the decades between the late 1890s and early 1960s, this volume examines the complex challenges these artists faced in a traditionally conservative region during a period in which women's social, cultural, and political roles were being redefined and reinterpreted. The presentation—and its companion exhibition—features artists from all of the Southern states, including Dusti Bongé, Anne Goldthwaite, Anna Hyatt Huntington, Ida Kohlmeyer, Lois Mailou Jones, Alma Thomas, and Helen Turner. These essays examine how the variables of historical gender norms, educational barriers, race, regionalism, sisterhood, suffrage, and modernism mitigated and motivated these women who were seeking expression on canvas or in clay. Whether working from studio space, in spare rooms at home, or on the world stage, these artists made remarkable contributions to the art world while fostering future generations of artists through instruction, incorporating new aesthetics into the fine arts, and challenging the status quo. Sylvia Yount, the Lawrence A. Fleischman Curator in Charge of the American Wing at the Metropolitan Museum of Art, provides a foreword to the volume. Contributors:Sara C. The War-time Journal of a Georgia Girl, 1864-1865 May 05 2020

Up from Orchard Street Jul 31 2022 In the tradition of *Like Water for Chocolate* and *A Tree Grows in Brooklyn*, this exhilarating novel centered around a memorable immigrant family brings to vibrant life the soul and spirit of New York's legendary Lower East Side. *Up from Orchard Street*... ..where three generations of Roths live together in a crowded

tenement flat at number 12. Long-widowed Manya is the family's head and its heart: mother of dapper Jack, mother-in-law of frail and beautiful Lil, and adored bubbly of Elka and Willy. She's renowned throughout the teeming neighborhood for her mouthwatering cooking, and every noontime the front room of the flat turns into Manya's private restaurant, where the local merchants come to savor her hearty stews and soups, succulent potato latkes and tzimmes, preserved fruits and glorious pastries. She is just as renowned for her fierce sense of honor, her quick eye for charlatans, and her generosity to those in need. But Manya is no soft touch--except, perhaps, where her adored granddaughter Elka is concerned. It is skinny, precocious Elka who is her closest companion and confidante--and the narrator of this event-packed novel. Through Elka's eyes we come to know the fascinating characters who come in and out of the Roths' lives: relatives, eccentric locals, doctors, busybody neighbors--as well as the many men who try fruitlessly to win voluptuous Manya's favors. We live through the bittersweet world of these blunt, earthy, feisty people for whom poverty was endemic, illness common, crises frequent, and zest for living intense. Money may have been short but opinions were not, and their tart tongues and lively humor invest every page. In this riveting story lies the heart of the American immigrant experience: a novel at once wise, funny, poignant, anguishing, exultant--and bursting with love.

Waking Up in Dixie Mar 07 2023 From the New York Times bestselling author of The Red Hat Club comes a hilarious story of marriage and love and second chances When Elizabeth Mooney escaped the shame of her "white trash" family to marry the crown prince of her small town, Howell Whittington, she never dreamed that thirty years later, she'd end up trapped in a loveless marriage to the cruel banker who's foreclosing on all her friends. Then Howe has a stroke sitting up in church, and when he wakes up, he's at the mercy of all his appetites and emotions.

Transformed, Howe wants to be a real husband, which scares proper, repressed Elizabeth to death, and setting out to right past wrongs, he blackmails the town's baddies into doing the right thing by threatening to foreclose on their mortgages. The ensuing hilarious rollercoaster ride wakes up not only Elizabeth and their marriage, but the whole town and its hidebound institutions.

Out of Warranty Apr 27 2022 If you've ever struggled with a health insurance claim, you'll love Haywood Smith's witty send-up of the health insurance industry, the drug companies, the medical profession, and falling apart ten years before Medicare. From the beloved author of The Red Hat Club and Wife-in-Law, Out of Warranty is a witty story of two lonely misfits who find exactly what they need in the most unlikely of situations, with a bonus of humor and heart. "If you have anything weird wrong with you in this country, you'd better be Canadian." So says widowed Cassie Jones when, after being written off by countless doctors, she finally finds one who diagnoses her with a rare genetic form of arthritis. The condition is manageable, but not curable, and a new diagnosis, so her health insurance refuses to pay for most of her expensive medications and treatment. So widowed Cassie, still grieving for the love of her life and facing destitution because of her medical bills, decides she has to remarry for better health coverage. Enter one-legged hermit and curmudgeon Jack Wilson, on the same appointment schedule at their specialist's, who's rude and obnoxious, but eventually tries to help by setting up e-dating for Cassie. After a hilarious round of fix-ups and e-dating, Cassie's left with no hope and no prospects. That's when Jack offers a strictly business marriage that could solve both their problems, with a serious set of house rules, including separate bedrooms. How well it will work remains to be seen. With her trademark humor and sass, Haywood brings these two characters to life in an unlikely grown-up relationship that transcends their medical problems and will leave readers smiling long after the last page is turned.
